

## COUNCIL ITEM REQUEST FORM

**City of  
Santa Clara**  
The Center of What's Possible

The Council Item Request Form is for members of the City Council to submit written requests to the City Manager's Office for inclusion of an item on a future City Council meeting agenda. At the meeting where the initial written request is heard, discussion should be limited to whether the item should be added to an agenda and a date, not the merit of the item. A majority vote of the City Council is required for the item to be added to future Council meeting agenda for action.

### **WRITTEN REQUEST**

**I, Suds Jain, hereby request that the following item be placed on the City of Santa Clara Council and Authorities Concurrent meeting agenda:**

NURC (Neighborhood University Relations Committee) is a committee of 3 Councilmembers which convenes approximately quarterly to resolve issues between neighbors and Santa Clara University. Issues discussed are often noise, litter and parking.

Noise, litter and parking along with traffic are the major concerns of neighbors of Levi's Stadium. It seems to me that we need a NSRC (Neighborhood Stadium Relations Committee) which would bring people together regularly to resolve issues related to Stadium Operations.

Such a committee was suggested in the Public Dialogue Consortium report included in the Council Packet for Nov 16<sup>th</sup>, 2021.

*"Most residents approve of the City's communications efforts. But near neighbors in particular feel the Stadium has broken promises. There is a lack of trust which must be repaired .*

*. To rebuild this trust, Manco should take the steps necessary to improve transparency and communications*

*. A Community Advisory Committee structure to liaison with Manco was of interest to stakeholders and near-neighbors"*
