Subject: [3066 Harding] Privacy Concern for 3063 McKinley Dr.

Hello 3066 Harding owners and Santa Clara Planning team,

We live at 3063 McKinley Dr kitty corner to the property in question. Congrats on planning to expand your home!

The second story in 3066 Harding will overlook our backyard, master bedroom, kitchen and dining areas.

Impact to us:

1. Direct view from second story back and side windows into our home impacts our privacy
2. Sunshine in our yard, brightness in our master bedroom, kitchen and dining areas will be reduced.

3. Airflow may be reduced with a large structure behind our home.

Changes:

We request 3066 Harding to modify their design to mitigate the impact to us and preserve our right to privacy, natural light and airflow in our home and fenced yard.

Thanks,

Anish
