Subject: Development Review Hearing for File PLN21-15378 for 3066 Harding Ave Architectural Review

I am not in favor of this expansion. I bought in this area due to the privacy that this housing design afforded.

These houses are a unique design and very much sought after.

To add a second story with a balcony defeats the neighborhood design and function. And will effect our privacy.

Please do not allow this to happen to our neighborhood.

Best regards,
Sandrina Valente
