Dear Ms. Fernandez,

My name is Shirdi Prem, and I live at 3045 Mauricia Avenue. My wife, children and I have been residing at this address for over 20 years, and have seen this neighborhood and community evolve slowly with the times.

I am writing to you today to voice my **strong support** for Mr. and Mrs. Chennoju's remodeling proposal. Having reviewed their design plans, I find it an extremely welcome renewal that will enhance our neighborhood and make a positive impact on our community. They have taken great care to ensure that their design meets the city's guidelines, as well as fits the neighborhood.

As you are aware, many of the tract homes here are aging and decrepit, and this kind of thoughtful remodeling is exactly what is needed to update the neighborhood while keeping its family-oriented appeal. I have known the Chennoju family for many years, and would like to see the project approved so that they can continue to remain a part of the revitalized community, rather than seeing them move elsewhere to accommodate the needs of their growing family.

I would like to reiterate my unequivocal support for the Chennoju's remodeling project, and I hope the City and the Architecture committee approve this welcome development.

Sincerely,

Shirdi Prem & Vijaya Soumya Viswanathan
