 - A. The establishment or operation of the use or building applied for, under the circumstances of the particular case, are essential or desirable to the public convenience or welfare in that the proposal would serve to expand the options available to local and regional customers by providing a neighborhood restaurant and lounge use within an approved retail center to meet the interests of local customers and residents from the greater region;

2) The property or improvements in the neighborhood of such proposed use, in that the proposed use will occur in an existing retail tenant space, and on-site parking is sufficient and available to service the proposed use and the existing businesses;

C. That said use will not impair the integrity and character of the zoning district, in that the proposal is designed and conditioned in a manner to be compatible with adjacent commercial and residential development, on a developed parcel, with adequate parking, and properly designed ingress and egress points; and,

D. That said use is in keeping with the purposes and intent of the Zoning Code, in that sales and consumption of beer and wine in conjunction with food may be conditionally permitted when the use would not be objectionable or detrimental to the adjacent properties in this Light Industrial zoning district.
