

CALIFORNIANS FOR ELECTORAL REFORM

PRESENTS THIS

WILMA RULE MEMORIAL AWARD

TO THE

Santa Clara City Council

**IN RECOGNITION OF THEIR WORK CONTRIBUTING TO THE ADVANCEMENT
OF PROPORTIONAL REPRESENTATION IN CALIFORNIA**

by having the courage to place on the ballot Measure A, an amendment to the charter of the City of Santa Clara that specifies the use of the single-transferable vote form of ranked choice voting for electing the City Council, and, if Measure A had passed, would have made Santa Clara the first city in the United States since 1941 to adopt a proportional representation system for electing its City Council.

PRESENTED THIS 9TH DAY OF JUNE, 2018

A handwritten signature in black ink, appearing to read "Steve Chessin".

Steve Chessin
President

POST MEETING MATERIAL

Section 1: Municipality Data

Name of Municipality: _____

Address (City Hall): _____

City: _____ State: _____ Zip Code: _____

Billing Address (if different from above): _____

City: _____ State: _____ Zip Code: _____

Phone: _____ Fax: _____

Email: _____ Web: _____

Twitter: _____ Facebook: _____

Municipality Type:

☐ City

☐ Town

☐ Village

☐ Township

☐ Borough

☐ Other: _____

Form of Government:

☐ Mayor /Council

☐ Council /Manager

☐ Commission

☐ Town Meeting

Section 2: Municipality Form of Government

Date Founded: _____

Date Incorporated: _____

Fiscal Year Begins: _____

Primary Election Date: _____

General Election Date: _____

Is the Chief Elected Official a member of the governing body:

☐ Yes

☐ No

Are governing body terms:

☐ Concurrent (C)

☐ Staggered (S)

How is the chief elected official selected?

☐ Directly by the voters in the general election

☐ Most votes for seat on governing body during general election

☐ Selected from the governing body by the governing body

☐ Other, describe: _____

What is the size of the governing body?

What is the term length for the chief elected official? _____

What is the term length for the members of governing body? _____

Section 3: Municipal Priorities

NLC NATIONAL
LEAGUE
OF CITIES

Three Ways to Get Involved

NETWORKING AND LEADERSHIP OPPORTUNITIES

Serve on a Federal Advocacy Committee, join a Constituency Group or lend your leadership skills to a Member Council. These are three of the best ways to connect with other members and advance your leadership.

Federal Advocacy Committees

CONNECT LOCAL NEEDS WITH WASHINGTON

Serve on an advocacy committee and play an important role in shaping NLC's annual legislative agenda. Members and leadership of the committees are appointed annually for one year terms by NLC's incoming president.

Meetings are open to all. Attend one and learn more!

- Community and Economic Development
- Energy, Environment & Natural Resources
- Finance, Administration & Intergovernmental Relations
- Human Development
- Information Technology & Communications
- Public Safety & Crime Prevention
- Transportation & Infrastructure Services

For more information and how to apply, please visit www.nlc.org.

"Membership in NLC has allowed our city leaders to exchange ideas with peers across the country on some of the deepest challenges affecting our city's future."

//RON NIRENBERG

CITY COUNCILMAN, SAN ANTONIO, TX

Constituency Groups

ENCOURAGE DIVERSITY IN LOCAL POLITICS

Constituency groups encourage diversity in local politics. They serve as a forum to share ideas and best practices, and connect you with other local officials from across the country who share your experience.

Constituency groups serve as a resource for the larger NLC community and federal advocacy committees on issues of diversity and inclusion.

- Asian Pacific American Municipal Officials (APAMO)
- Hispanic Elected Local Officials (HELO)
- Lesbian, Gay, Bisexual, Transgender Local Officials (LGBTLO)
- National Black Caucus of Local Elected Officials (NBC-LEO)
- Women in Municipal Government (WIMG)

Member Councils

MEET LEADERS OF COMMUNITIES SIMILAR TO YOUR OWN

Lend your leadership skills to a member council and be recognized as the voice of communities like yours.

Member councils bring together leaders from communities that are similar in size, type, or another important characteristic. Together, members address their unique challenges.

- First Tier Suburbs Council
- Large Cities Council (population 200,000+)
- Military Communities Council
- Small Cities Council (population 50,000 or less)
- University Communities Council
- Council on Youth, Education, and Families

Many board members got their start through a committee, constituency group or member council. **Get involved—you may be a future board member!**

CITIES STRONG TOGETHER

REBUILD AND REIMAGINE AMERICA'S INFRASTRUCTURE

WWW.NLC.ORG/INFRASTRUCTURE

GUIDING PRINCIPLES ←

SUSTAINABLE INVESTMENT

Together, cities and our federal partners must address the existing core infrastructure backlog, reestablish long-term funding and use new technologies that will serve America's cities for the next 100 years.

LOCALLY-DRIVEN PROJECTS

Local leaders, from cities large and small, are best positioned to identify where infrastructure needs are greatest and should be given a stronger voice in how limited federal dollars are invested.

FEDERAL-LOCAL PARTNERSHIP

Cities are already paying their fair share and need a steady federal partner to fund existing national programs and make significant capital investments for the long-term benefit of the economy.

EXPAND REVENUE TOOLS

Cities should be given more flexibility to raise revenues and use innovative financing techniques while protecting existing tools, such as tax-exempt bonds, to drive regional investments that tie into the national network.

REBUILD AND REIMAGINE

Cities are leading the way in building intermodal, sustainable and interconnected infrastructure networks that support a modern economy. Congress must invest in cities' vision to rebuild and reimagine America's infrastructure.

WATER

NLC calls on Congress to improve our nation's water infrastructure by passing legislation that will:

- Reauthorize and provide federal funding for water infrastructure improvements through the **Clean Water and Drinking Water State Revolving Loan Fund (SRF)** programs;
- Provide full appropriation to the **Water Infrastructure Finance and Innovation Act (WIFIA)** for loans and loan guarantees for water infrastructure projects, to jump-start the U.S. Army Corps of Engineers WIFIA program, and to permanently establish the program beyond a pilot program;
- Remove the **federal volume cap** on tax-exempt bonds for water and wastewater infrastructure projects, which will make additional private capital available for water projects;
- Establish a comprehensive and flexible **integrated planning and permitting process** for local water, wastewater and stormwater management that will allow communities to meet their requirements under the Clean Water Act and Safe Drinking Water Act in an efficient and cost-effective manner through the sequencing and scheduling of projects;
- Incentivize **green infrastructure techniques** that can reduce flooding and help manage stormwater runoff in a more cost-effective way; and
- Clarify that **rebates provided by local water utilities to homeowners** for water conservation and water efficiency are not subject to a federal income tax.

BROADBAND

NLC calls on Congress to update our nation's broadband infrastructure by passing legislation that will:

- Expand **broadband access** to underserved neighborhoods by eliminating state barriers to municipal broadband networks;
- Target federal money to community institutions, underserved communities, and low-income families by fixing funding shortfalls in the **Federal Communications Commission's Universal Service Fund** and modernizing contribution methods;
- Establish a **broadband grant program** to accompany the U.S. Department of Agriculture's Rural Utility Service Broadband Loan program and increase the population threshold for eligible areas to at least 20,000;
- Increase funding for **Community Development Block grants and Choice Neighborhoods grants**, so that local governments can allocate funding for broadband planning and deployment alongside affordable housing and neighborhood improvement projects;
- Expand the **HUD ConnectHome** program to ensure a growing number of HUD-assisted households with children have Internet access; and
- Increase the financial viability of middle- and last-mile broadband infrastructure investment with **dig once policies** for inclusion of conduit or fiber placement in federally-funded infrastructure projects.

WORKFORCE

TRANSPORTATION

NLC calls on Congress to invest in our nation's workforce by passing legislation that will:

- Build on the Workforce Innovation and Opportunity Act (WIOA) by creating additional **workforce funding and training programs through joint partnerships** between the U.S. Department of Labor (DOL), U.S. Department of Transportation (DOT) and U.S. Environmental Protection Agency (EPA);
- Expand dedicated funding for **sector-based partnerships** that would jump-start local infrastructure projects and maintain necessary skilled labor;
- Expand funding and opportunities to bridge the skills gap for those interested in an **apprenticeship program**;
- Connect investments to existing local **Career and Technical Education (CTE) programs** and workforce development board initiatives focused on infrastructure skill development;
- Maintain our current workforce by ensuring **protections for immigrants**, including those with Deferred Action for Childhood Arrival (DACA) status; and
- Improve **housing affordability** by incentivizing mortgage lending for workforce housing.

NLC calls on Congress to modernize our nation's transportation infrastructure by passing legislation that will:

- Identify a long-term, sustainable revenue source that keeps the **Highway Trust Fund fully funded** to be used for both rebuilding and maintaining new investments;
- Fund transportation infrastructure projects by putting money directly into the hands of local governments, who are best equipped to identify **high priority projects** and invest in a coordinated, intermodal network;
- Increase federal funding for **existing programs** that support all modes of transportation, including the Transportation Investment Generating Economic Recovery (TIGER) program, Transportation Alternatives, the Surface Transportation Block Grant Program, New Starts, and the Smart City Challenge; and
- Create greater **flexibility for private investment** in infrastructure, while also recognizing that public-private partnerships may only be viable for a limited number of infrastructure projects.

CITIES STRONG TOGETHER

ABOUT THE NATIONAL LEAGUE OF CITIES

The National League of Cities (NLC) is dedicated to helping city leaders build better communities. NLC is a resource and advocate for 19,000 cities, towns and villages, representing more than 218 million Americans.
