

The Hearing Officer for this agenda will be Planning Manager Lesley Xavier on behalf of and delegated by the Director of Community Development Andrew Crabtree.

The hearing procedure and order of input will be as follows:

1. Each project will be identified as described on the agenda.
2. For those items on the Consent Calendar, the Hearing Officer will ask if anyone wishes to speak on the item. If a separate discussion is warranted, the item will be moved to the Public Hearing portion of the agenda. If a separate discussion is not needed, the item will remain on the Consent Calendar for approval.
3. For those items listed under Public Hearing, staff will provide a brief report.
4. The applicant or their representative will have up to five minutes to speak at the microphone and should identify themselves by stating their name for the record.
5. After the applicant or their representative has spoken, any member of the public who wishes to speak on the item may provide testimony, up to two minutes per speaker, either for or against the project. All speakers are required to state their name for the record.
6. Following comments from the public, the applicant may make additional remarks for up to five minutes.
7. The Hearing Officer will then close the public hearing, and may ask staff to answer questions, respond to comments made by the applicant or the public, or further discuss the item. The Hearing Officer will then take action on the item.

If you challenge these land use decisions in court, you may be limited to raising only those issues you or someone else raised at this public hearing or in written correspondence delivered to the City at, or prior to, the public hearing.

The Hearing Officer's actions on agenda items are final unless appealed within seven calendar days.
