No Special awards from the world, however I have 3 really good kids, and a jewel of a wife. I definitely married up. Since 2007 have been a Board Member of Santa Clara Youth Soccer. Have been the assignor of both referees and fields since that time. Because of that relationship I have been engaged with the recent issues dealing with playing fields and their conditions.

Please state reasons why you want to become a member of this Board/Commission/Committee, including what specific objectives you would be working toward as a member of this advisory board:

We have a great City. Our Parks and Open Spaces need to be not just protected and looked after, but should be celebrated expanded on.

So I guess the most important thing to me, since Measure R has been passed is to update and upgrade our current parks. I know this has been on the radar for awhile, it's now time to put dates on these upgrades and improvements.

Any other information which you feel would be useful to the City Council in reviewing your application:

Lifelong resident. Have grown up on Pruneridge Ave, across the street from Maywood Park. I'm 57 but still remember how excited I was when they refurbished that park. Know first hand that we need to keep our open spaces reserved for just those purposes. Quality of life in our area is being pushed to it's limits and families need places where they can go and unwind.

Volunteered nature at heart. Love to give my time and energy to areas that will help not just myself and family, but everyone around us.

Our City is going to continue to grow, thanks to Measure R our parks and open spaces are now protected. So the next question is how best to use this precious resource?

Who can we benefit the most?

I have laughed for years that my last name is Field, mainly because one of my jobs is to assign Fields for sports to be played on. What better last name to have for someone to actually sit on a Commission that oversees Parks and Recreation for our City?
