Administration of Agreement. Administration of this agreement shall be by the City's City Manager or the City Manager's designee and by the President/General Manager of the Chamber.

Purpose. This Agreement establishes an arrangement for the financing, management and operation of the Santa Clara Conference and Convention Center (the "Convention Center") in an efficient, businesslike manner. Bookings Upon Termination. If this Agreement is terminated with or without cause by either party, the City agrees that it will honor any and every booking of the Convention Center made in good faith by the Chamber prior to the time that notice of intention to terminate is received by Chamber.

Contracts and Subcontracts. Contracts and subcontracts entered into by Chamber shall be subject to the Agency lease to City of Convention Center and this Agreement. They shall all be terminated with the termination of this Agreement except as provided herein as to bookings, or unless approved by City Council for a longer period and then in accordance with that City approval in writing. A clause will be in all Chamber contracts and subcontracts stating that they are not binding on the City, with the exception of bookings, if this Agreement is terminated.

The Chamber shall yearly prepare a proposed annual budget for the operation and maintenance of the Convention Center. This proposed annual budget, during the construction period Spring, 1984 through fiscal year June 30, 1986, shall include projected expenses identified by category, including initial start-up costs, and shall be in concert with, but not duplicate, the Chamber's contractual agreement budget for the Convention & Visitors Bureau. The proposed annual budget for the balance of the Term of this Agreement, shall include projected expenses identified by category, and for informational purposes, projected income identified by source. The proposed annual budget shall be submitted to the City for approval with appropriate detail, to include:

- (a) joint Convention Center/Bureau marketing plans;
- (b) statement of booking policies and proper fee schedules;
- (c) copies of rules and regulations governing the operations,

on or before May 1 of each year for modification and approval by the City Council. No such proposed budget shall be effective for any purpose until approved by the City Council. No monies will be transferred to the Chamber for operation of the Chamber, except for services received as identified in the budget as approved by the City Council of City.

Contract Payments. Upon request of the Chamber, the City will provide the funds needed to fund the operations and maintenance of the Convention Center to the Chamber each quarter in accordance with an appropriate City Council approved annual budget. In no event shall the total amount advanced for the year exceed the amount of the City Council approved annual budget.

(a) Annual Operating Account. The Annual Operating Account shall be established on a fiscal year basis in conformance to the fiscal year of the City. Expenses for the Annual Operating Account shall be accounted for by the accrual method. The Chamber shall pay all operating expenses and contract services for the Convention Center, as outlined in the City Council approved annual budget, incurred during a given fiscal year from the Annual Operating Account for that year. At the end of each fiscal year, the Annual Operating Account balance shall be determined and certified by the Chamber's Chief Financial Officer. The Annual Operating Account balance shall be delivered and returned to the City.

(b) Revenue Account. The following revenues shall be accounted for in the Revenue Account by the accrual method:

(i) all rents, fees, charges, receipts from food and beverage, equipment rentals, interest on the Revenue Account and other sums which accrue during the year from use of the Convention Center excluding monies from hotel reservation and use under Exhibit B Ballroom License agreement as from time to time amended; and

(ii) cash in excess of \$10,000 in the Revenue Account at the end of each quarter of City's fiscal year shall be submitted to the City. The City may apply said cash to the operation expenses of the Convention Center.

Return of Funds at End of Term. At the end of the Term or upon the termination of this Agreement, the Chamber shall close all accounts, determine and certify the balance of each account, and deliver and return the balance of each account to the City. Final return shall be completed within one hundred twenty (120) days after such termination.

These accounting records shall be maintained by Chamber for the term of this Agreement and for three (3) years beyond, and they shall be made accessible to the City Finance Director or the City Council's independent auditor during that entire time period at all reasonable times, upon request.

days after the end of each fiscal year of City, the Chamber shall submit to the City financial statements reflecting the condition of the Annual Operating Account and Revenue Account for the preceding year accompanied by an opinion of an independent Certified Public Accountant on the financial statements. The City may request its independent auditor to prepare the opinion, in lieu of an independent Certified Public Accountant contracted for by the Chamber to perform that function, paid for from Center budget or by City.

Financial and Operation Reports. Within thirty (30) days after the end of each quarter during the fiscal year of City, the Chamber shall provide the City with a quarterly activity and operations report. An annual financial statement will be reported for as outlined under Annual Financial Statement above.

The second Adjustment Date is the first day of the eleventh (11th) Lease Year and an Adjustment Date occurs on the first day of the fourteenth (14th) Lease Year and every third Lease Year thereafter.
5. "Utility Index" means the quotient of a fraction the numerator of which is the PG&E G-2 Gas Rate (3500 Therms) for Commercial Users in effect on the applicable Adjustment Date and the denominator is the PG&E G-2 Gas Rate (3500 Therms) for Commercial Users in effect on the first day of the first Lease Year of this License.

If the Consumer Price Index of the U.S. Bureau of Labor Statistics is discontinued, the parties shall accept comparable statistics on the purchasing power of the consumer's dollar as published at the time of said discontinuation by a responsible periodical of recognized authority to be mutually selected by the parties.

If the PG&E G-2 Gas Rate (3500 Therms) for Commercial Users is discontinued, or redefined, then the parties shall accept comparable rates on the cost of utility service to the Conference Center as charged by the applicable utility, as mutually selected by the parties.

The Basic License Fee shall be adjusted on each Adjustment Date to an amount for each Lease Year, until the next Adjustment Date, equal to the sum of the CPI Component and the Utility Component of the Basic License Fee for the applicable Lease Year, where the CPI Component and the Utility Component for each Lease Year are determined as follows:

- (a) The CPI Component of the Basic License Fee shall equal Seventy-Eight Thousand Dollars (\$78,000) for Lease Years one (1) through ten (10). The CPI Component for Lease Years eleven (11) through thirteen (13) shall equal \$78,000 multiplied by a fraction, the numerator of which is the New Index as of the applicable Adjustment Date (the first day of the eleventh (11th) Lease Year) and the denominator of which is the Initial Index, provided that such CPI Component shall not exceed \$78,000 increased for ten (10) years at

six percent (6%) per annum compounded annually. The CPI Component shall be adjusted on each Adjustment Date thereafter to be an amount equal to Seventy-Eight Thousand Dollars (\$78,000) multiplied by a fraction, the numerator of which is the New Index as of the applicable Adjustment Date and the denominator of which is the Initial Index, provided that each such CPI Component shall not exceed an amount equal to Seventy-Eight Thousand Dollars (\$78,000) increased for the number of years since the first Lease Year as defined in Section 100.I. at six percent (6%) per annum compounded annually.

- (b) The Utility Component of the Basic License Fee shall equal Twenty-Two Thousand Dollars (\$22,000) for Lease Years one (1) through five (5). The Utility Component for Lease Years six (6) through ten (10) shall equal \$22,000 multiplied by the Utility Index as of the first Adjustment Date (the first day of the sixth (6th) Lease Year). The Utility Component shall be adjusted on each Adjustment date thereafter to be an amount equal to \$22,000 multiplied by the Utility Index for the applicable Adjustment Date.

3. [§ 304] Payment of Basic License Fee

The annual Basic License Fee shall be paid each Lease Year, commencing with the first Lease Year of this License, in equal monthly installments on the fifteenth (15th) day of each calendar month for and in respect of such calendar month. Provided, however that if the Ballroom Facility, the Hotel Common Area improvements and the Main Drive are not substantially completed for any reason whatsoever (except a default by Hotel Lessee), including an enforced delay as provided in Section 1212 of the Lease, on or before the beginning of the first Lease Year of this License as defined in Section 100.I., then the Basic License Fee to be paid by Hotel Lessee shall be totally abated until such time as said facilities and improvements are substantially complete. Substantial completion shall have the same meaning as set forth in Section 302 of the Lease.

B. [§ 305] Percentage License Fee

1. [§ 306] Amount

In addition to the Basic License Fee, Hotel Lessee agrees to pay to Agency each Lease Year a percentage license fee (the "Percentage License Fee") equal to the amount by which five percent (5%) of the annual Gross Receipts for the applicable Lease Year exceeds the Basic License Fee for the applicable Lease Year, if any.

The Basic License Fee and the Percentage License Fee shall be the only fees charged by Agency for Hotel Lessee's use of the Ballroom Facility.

2. [§ 307] Payment of Percentage License Fee

a. [§ 308] Payment of Estimated Percentage License Fee

The Percentage License Fee shall be payable in monthly installments of the respective amounts hereinafter provided, which estimated monthly installments of

Percentage License Fee shall be paid by Hotel Lessee to Agency on the fifteenth (15th) day of each calendar month with the payment of the Additional Rent as provided in Section 307 of the Lease.

The estimated monthly installment of the Percentage License Fee shall be computed under the same conditions and in the same manner as the estimated monthly installment of Additional Rent is computed pursuant to Section 307 of the Lease, as applicable.

b. **[§ 309] Adjustment of Percentage License Fee**

If, for any Lease Year, the aggregate amount of the estimated monthly installments paid to Agency on account of the Percentage License Fee pursuant to Section 308 shall be more or less than the Percentage License Fee payable for such Lease Year based upon the final determination of Percentage License Fee for such Lease Year as reflected in the certified financial statement for such Lease Year referred to in Section 310 hereof, then, a year-end adjustment shall be made under the same conditions and in the same manner as the adjustment of Additional Rent is made pursuant to Section 308 of the Lease, as applicable.

c. **[§ 310] Certified Annual Statement**

Within one hundred twenty (120) days after the end of each Lease Year, Hotel Lessee shall submit to Agency a detailed statement of Gross Receipts for the applicable Lease Year as a part of the detailed statement required by Section 309 of the Lease, together with the certificate of Hotel Lessee's independent certified public accountant certifying the accountant is also familiar with the definition of Gross Receipts, as defined in this License.

G. **[§ 311] Delinquency in License Fee Payment;
Collection of License Fee**

The failure of Hotel Lessee to pay the applicable license fee by the due date, shall constitute a default. In the event Hotel Lessee fails to pay the applicable license fee on or before the due date, in addition to any other remedy provided by this License, Hotel Lessee shall pay Agency the delinquent license fee and interest on the total delinquent license fee under the same conditions (and interest rates) and in the same manner as the delinquency in rental payment as set forth in Section 312 of the Lease, as applicable.

H. **[§ 312] Right to Inspection and Audit of Records**

Hotel Lessee shall keep full and accurate books and accounts, records, cash receipts, and other pertinent data showing its financial operations with respect to the Ballroom Facility as a part of the same books, accounts and other data showing the financial operation of the Hotel as provided in Section 313 of the Lease. Agency shall have the same rights to inspect, examine, copy, audit the books and to collect deficiencies with interest charges within the same times, under the same conditions, and in the same manner as set forth in Section 313 of the Lease, as applicable.

IV. [§ 400] MAINTENANCE AND OPERATION OF BALLROOM FACILITY

A. [§ 401] Maintenance of the Ballroom Facility

The parties recognize and agree that a program of continuing maintenance will be required to insure that the Ballroom Facility will remain in first class condition. As used in this paragraph "first class condition" shall mean that the Ballroom Facility shall be kept in decent, safe and sanitary condition, in compliance with applicable laws, and equal in value, quality and use to the condition of the Ballroom Facility as originally constructed, reasonable wear and tear excepted. Agency covenants and agrees to maintain or cause to be maintained (and, subject to the limitations set forth herein with respect to damage or destruction and eminent domain, to repair or replace as necessary) the Ballroom Facility in a first class condition at all times throughout the term of this License, and to make all repairs and replacements to the furniture (except tables and chairs as provided for in Section 402 hereinbelow), fixtures and equipment contained thereon or therein necessary to maintain such furniture, fixtures and equipment in first class condition. As between Agency and Hotel Lessee, Agency shall bear the costs and expenses for maintenance of the Ballroom Facility, except that Hotel Lessee agrees to pay for the repair or replacement of all damage to the Ballroom Facility, and the furniture, fixtures and equipment therein, other than ordinary wear and tear, resulting from the use of the Ballroom Facility by Hotel Lessee, or its guests or invitees, and also as provided in Sections 402 and 403 hereinbelow.

1. [§ 402] Furniture, Fixtures and Equipment

Agency shall provide furniture (except for matching tables and chairs to be provided by Hotel Lessee), fixtures, and equipment (including all necessary replacements thereof), for the Agency Ballroom, Ballroom Facility and the Expansion Area (if and when it is put in use as part of the Agency Ballroom or the Ballroom Facility), necessary for the operation of a first class Ballroom. Hotel Lessee shall provide, at its cost and expense, dinner settings as reasonably approved by Agency for the Ballroom Facility, Agency Ballroom and the Expansion Area (if and when the Agency Ballroom is put in use as part of the Ballroom Facility) including all necessary replacements thereof. Such dinner settings shall only consist of one hundred forty-four (144) tables and one thousand four hundred and forty (1,440) chairs for the Ballroom (excluding the Expansion Area) and one hundred ninety-two (192) tables and one thousand nine hundred and twenty (1,920) chairs for the entire Ballroom only upon expansion by Hotel Lessee into the Agency Ballroom (which shall become part of the Ballroom Facility) pursuant to the terms of Section 601 hereof; provided, however, that if Agency first improves or uses the Expansion Area as provided in Section 602 hereof and purchases the tables and chairs therefor, then Hotel Lessee shall reimburse Agency for the cost of such tables and chairs upon expansion of the Ballroom Facility in an amount equal to the greater of their original cost or the then-current cost of comparable tables and chairs.

2. [§ 403] Preparation and Cleanup

All setup, take down, and return to storage of the furniture and equipment shall be the responsibility of the party to this License which Booked the Ballroom Facility, at the cost and expense of such party.

Service and support staff necessary to operate the Ballroom Facility for specific events shall be the responsibility of the party which Booked the Ballroom Facility, at its cost and expense, except that Agency shall provide general maintenance for the Ballroom Facility not related to a particular Booking.

B. [§ 404] Operation of the Ballroom Facility

Agency shall operate or cause the Ballroom Facility to be operated in such first class manner as is consistent with the physical condition in which it is required to be maintained. Agency may in its discretion, operate the Ballroom Facility with its own forces, or lease or enter into a contract for the operation of the Ballroom Facility to a third party operator or operators who shall be required to operate the Ballroom Facility as required by this License. If Agency elects to lease or enter into a contract for the operation of the Ballroom Facility, Hotel Lessee shall be entitled to submit a proposal, along with other third parties, to lease or operate the Ballroom Facility in accordance with established terms and conditions as offered by Agency.

As between Agency and Hotel Lessee, Agency shall bear the costs and expenses for the general operation (including provision of utilities) of the Ballroom Facility but each party shall pay its own costs and expenses with respect to a particular Booking, as set forth in Section 403 above.

C. [§ 405] Impositions (Including Taxes and Assessments)

Hotel Lessee shall pay or cause to be paid such Impositions (and only such Impositions) with respect to the Ballroom Facility required to be paid by Hotel Lessee, and in the manner and subject to the terms and conditions, as referred to in Section 609 of the Lease. In accordance with California Revenue and Taxation Code Section 107.6(a), Agency states that by entering into this Ballroom License Agreement, a possessory interest subject to property taxes may be created. Hotel Lessee or other party in whom the possessory interest is vested may be subject to the payment of property taxes levied on such interest; provided, however, that Hotel Lessee shall have no obligation to pay any possessory interest tax, levy or imposition assessed, levied, confirmed, imposed upon or growing or becoming due and payable out of or in respect of becoming a lien on Parcel 3 and/or the Ballroom Facility except as expressly provided in Section 609 of the Lease.

V. [§ 500] PROCEDURES FOR OPERATION OF THE BALLROOM FACILITY

Agency may establish procedures for the operation of the Ballroom Facility to assure such operation in a coordinated manner, taking into account its use by guests of the respective parties to this License.

Agency shall adopt procedures for priority use of the Ballroom Facility. Such procedures shall incorporate the "Booking Priorities" set forth in Exhibit "D" attached hereto. Such Booking Priorities may be amended only with the prior written consent of Hotel Lessee, which shall not be withheld if such amendments do not impair the utility or economic benefit of the Ballroom Facility to the Hotel. In the event of any dispute as to whether such proposed amendment will so impair the utility or economic benefit of the Ballroom Facility to the Hotel, the dispute shall be submitted to arbitration according to the procedures described in Section 1214 of the Lease.

VI. [§ 600] OPTION TO IMPROVE EXPANSION AREA

A. [§ 601] Hotel Lessee

Hotel Lessee may elect, at its option, within the first twelve (12) Lease Years of this License to require Agency to improve the six thousand (6,000) square foot Expansion Area and use it as the Agency Ballroom and make the existing Agency Ballroom a part of the Ballroom Facility resulting in an eighteen thousand (18,000) square foot contiguous Ballroom Facility. If Hotel Lessee fails to exercise its option within the time set forth hereinabove, it shall have no further right to do so. Hotel Lessee may elect to require Agency to improve the Expansion Area and make the Agency Ballroom, which shall be in the condition in which it is required to be maintained pursuant to the terms of Section 401 hereof at the time it is added, as part of the Ballroom Facility, subject to the conditions that:

- (1) Within the first twelve (12) Lease Years of this License, Hotel Lessee shall give written notice to Agency of its exercise of such option specifying the date one year from such notice as the date upon which the Agency Ballroom will be added as part of the Ballroom Facility. Hotel Lessee shall have the right immediately upon giving such notice to Book the Agency Ballroom as part of the Ballroom Facility for any times after the date specified in such notice (which have not previously been Booked) in accordance with the Booking Priorities as set forth in Exhibit D. Agency will use its best efforts to move previously Booked events to the Expansion Area to the extent feasible.
- (2) Hotel Lessee shall reimburse Agency for the costs and expenses, of improving the Expansion Area, if the Expansion Area is improved as part of the Ballroom, within thirty (30) days after written demand therefor by Agency specifying the amount of such costs and certifying the accuracy thereof. Such costs and expenses shall include the cost of design and permits, floor, ceiling and wall coverings, panelings, plumbing and electric and other mechanical components, fixtures, window coverings and similar components integral to the basic room. The amount which Hotel Lessee shall be required to pay shall be the cost of improving the Expansion Area, assuming its original condition as shell space, and not taking into account any changes or improvements already made to the shell space by Agency, whether for interim use or otherwise. If Agency has already improved the Expansion Area for the use and to the standards of the Ballroom at the time Hotel Lessee elects to make the Agency Ballroom part of the Ballroom Facility, then Hotel Lessee shall reimburse Agency the amount of Agency's actual costs and expenses for such improvement of the Expansion Area. Agency may require Hotel Lessee to provide reasonable security for the payment of the amount to be reimbursed prior to the commencement of construction, such as a cash deposit or a letter of credit covering Agency's reasonable estimate of the cost of the improvement of the Expansion Area.

- (3) Hotel Lessee shall not be in default of its obligations to pay the Basic License Fee and the Percentage License Fee, under the provisions of this License at the time notice of intent to expand is given or on the date construction of the improvements is commenced by Agency. Upon a cure of such default the rights of Hotel Lessee hereunder shall immediately be reinstated.
- (4) Commencing with the date the Agency Ballroom is added as part of the Ballroom Facility, as specified in Hotel Lessee's notice given pursuant to paragraph (1) above, the Basic License Fee for each Lease Year shall equal the Basic License Fee calculated as provided in Sections 302 or 303 as applicable of this License, multiplied by one hundred and fifty percent (150%). Such increase for any initial partial Lease Year shall be prorated.
- (5) Once the Ballroom Facility is expanded to include the previous Agency Ballroom space, all the terms and conditions of this License apply to the expanded area, including without limitation the Booking Priorities set forth in Exhibit D and the inclusion of Gross Receipts therefrom in calculating the Percentage License Fee beginning concurrently with the increase in the Basic License Fee referred to in paragraph (4) above.

B. [§ 602] Agency

Agency shall have the right at any time before Hotel Lessee makes its election pursuant to Section 601, to improve and/or use the Expansion Area, either as part of the Agency Ballroom or for any interim use consistent with the Conference Center. The costs and expenses of any such improvements shall be borne by Agency, subject to reimbursement by Hotel Lessee in accordance with the terms and conditions set forth in paragraph (2) of Section 601.

After Hotel Lessee's option period has expired, Agency shall have the right to improve the Expansion Area for any use consistent with the Conference Center. If Agency improves the Expansion Area then the expanded area shall become a part of the Agency Ballroom or the Conference Center, as the case may be, and all costs and expenses of improving the Expansion Area shall be borne by Agency.

If Agency improves the Expansion Area for use as part of the Agency Ballroom, whether on an interim basis prior to Hotel Lessee's election pursuant to Section 601, or after Hotel Lessee's option period has expired, all terms and conditions of this License applicable to the Agency Ballroom shall apply to the Expansion Area except that if Hotel Lessee's option period has expired without exercise, Hotel Lessee shall not be required to provide dinner settings therefor.

VII. [§ 700] ADVERTISING

Hotel Lessee shall have the right to advertise, promote and market the Ballroom Facility as an amenity available to Hotel guests, consistent with the preferences for use set forth in this License.

VIII. [§ 800] INDEMNIFICATION

Agency and Hotel Lessee hereby mutually agree to indemnify and hold the other and their respective contractors, agents, servants, officers and employees harmless for loss or damage, including property damage, personal injury, or wrongful death, arising out of or in connection with their respective wrongful willful or negligent acts or omissions or the wrongful willful or negligent acts or omissions of their respective contractors, agents, servants, officers or employees in the use or occupancy of the Ballroom Facility or the Agency Ballroom.

Agency and Hotel Lessee also agree to indemnify and hold the other and their respective contractors, agents, servants, officers and employees harmless for loss or damage, including property damage, personal injury, or wrongful death, arising out of or in connection with the wrongful willful or negligent acts or omissions of their respective guests or invitees in the use and occupancy of the Ballroom Facility and the Agency Ballroom during the periods of their possession after Booked by or on behalf of either such party or its guests or invitees.

IX. [§ 900] DAMAGE OR DESTRUCTION

Agency covenants and agrees that, in the event the Ballroom Facility is damaged or destroyed by any casualty and Agency is required or elects to rebuild or restore the Conference Center as a result of such casualty pursuant to the terms of Section 1412 of the Lease, then Agency shall make full repair of the damage and destruction and restore the Ballroom Facility to the condition and operation which existed prior to said damage with such alterations or changes thereto as are required by then current building codes; provided, that if such casualty occurs within the first twelve (12) Lease Years of this License and Hotel Lessee has not yet elected to expand the Ballroom Facility, then Agency covenants and agrees to restore the Agency Ballroom as part of the Ballroom Facility to the condition stated in this paragraph upon notice to Agency that Hotel Lessee exercises its option to expand as provided in Section 601(1) above.

In the event the Ballroom Facility is damaged or destroyed as a result of a casualty which is of a type which Agency is not required to rebuild or restore pursuant to the preceding paragraph, Agency shall notify Hotel Lessee whether Agency elects to restore within forty-five (45) days after settlement of insurance proceeds, if any, but in any event within one hundred and eighty (180) days after the event causing such damage or destruction, and if Agency does not elect to restore the Ballroom Facility, then, at Hotel Lessee's election, Agency shall transfer the Ballroom Facility in its damaged condition and all furniture, fixtures and equipment used or usable in connection therewith in their "as is" condition, to Hotel Lessee in the manner and under the terms and conditions provided in Section 1306 of this License, except that Hotel Lessee, at its sole cost and expense, shall rebuild or restore the Ballroom Facility and all applicable revenues thereafter attributable to the Ballroom Facility (but beginning one (1) year after completion of the restoration if the Ballroom Facility was in damaged condition at the time of transfer) shall constitute Gross Food and Beverage Revenues under Section 305 of the Lease.

If the damage or destruction occurs within the first twelve (12) Lease Years of this License and Hotel Lessee elects to restore the Ballroom Facility as provided above, it may restore it as an eighteen thousand (18,000) or twelve thousand (12,000) square foot facility if it has not exercised its option to expand the Ballroom Facility

pursuant to Section 601 of this License. If the damage or destruction occurs after the twelfth (12th) Lease Year and Hotel Lessee has not exercised its option to expand, Hotel Lessee may only restore the Ballroom Facility to a twelve thousand (12,000) square foot facility. Hotel Lessee shall give written notice to Agency of its exercise of the option to restore the damaged or destroyed Ballroom Facility within ninety (90) days after receipt of Agency's notice of termination of this License and the parties shall execute, acknowledge and record a supplement to the Lease in the manner set forth in Section 1306 of this License. If Hotel Lessee fails to exercise its option within said ninety (90) day period, it shall have no further right to do so.

If Agency is required or elects to restore the Ballroom Facility as required or permitted by the provisions above, Agency agrees that preliminary steps toward performing repairs, restoration or replacement of the Ballroom Facility shall be commenced within forty-five (45) days after settlement of insurance proceeds, if any, but in any event within one hundred and eighty (180) days after the event causing such damage or destruction and the required repairs, restoration or replacement shall be completed within a reasonable time thereafter. Until the Ballroom Facility is restored, the Basic License Fee shall be abated.

Agency acknowledges that Lessee may (but shall not be obligated to), at its cost and expense, obtain or procure a casualty insurance policy or policies insuring against loss or damage to the Ballroom Facility (including the Agency Ballroom within the first twelve (12) Lease Years) as a result of any casualties Hotel Lessee desires to insure against with such limits and such coverages as Hotel Lessee may desire. In the event the Ballroom Facility is damaged or destroyed by any casualty and Agency is not required and does not elect to rebuild or restore the Ballroom Facility and Hotel Lessee elects to rebuild the Ballroom Facility as provided above, then all insurance proceeds, if any, from policies carried by Agency or Hotel Lessee covering loss or damage to the Ballroom Facility shall be assigned and made available to Hotel Lessee to rebuild or restore the Ballroom Facility as provided above. If Hotel Lessee elects to restore or rebuild the Ballroom Facility as provided above, Agency agrees not to unreasonably withhold its approval of plans and specifications submitted by Hotel Lessee for the rebuilding or restoring of the Ballroom Facility as a more functional ballroom for use by the Hotel.

X. [\$ 1000] EMINENT DOMAIN

In the event of the taking by eminent domain of the entire Ballroom Facility, or any part thereof, or a taking of the Agency Ballroom within the first twelve (12) Lease Years of this License provided Hotel Lessee has not yet elected to expand Ballroom Facility as described in Section 601 hereof, Section 1100 of the Lease shall apply (provided that the term "Ballroom Facility" referred to in Section 1100 of the Lease shall be construed to include Hotel Lessee's right to expand into the Agency Ballroom as provided in Section 601 hereof in the event of a taking of the Agency Ballroom as provided herein). In the event of such taking, the Basic License Fee shall be equitably reduced.

XI. [§ 1100] ASSIGNMENT AND TRANSFER

A. [§ 1101] Hotel Lessee

Hotel Lessee shall not, except as expressly permitted by Article 800 of the Lease, and subject to the limitations and conditions therein contained, assign this License, nor make any total or partial conveyance, assignment or transfer (including sublease) in any other mode or form of the whole or any part of its rights in the Ballroom Facility. Nothing herein shall prevent Hotel Lessee from entering into an operating lease, management contract, license agreement, franchise or other similar arrangement with an operator and/or franchisor of the Hotel as provided in Section 502 of the Lease. The approved operator under the Lease may operate under this License provided that Hotel Lessee shall remain liable for its obligations under this License.

B. [§ 1102] Agency

In the event Agency conveys, assigns or transfers (including lease) in any other mode or form the whole or any part of Parcel 3 containing the Ballroom Facility or the Ballroom Facility itself, which Agency shall have the right to do from time to time and at any time without any consent of Hotel Lessee being required (subject to Hotel Lessee's right of first refusal as provided in Section 1314 of the Lease with respect to the property specified therein), then any such conveyance, assignment or transfer shall be subject to the terms of this License and Hotel Lessee's rights under the Lease pertaining to the portion of Parcel 3 containing the Ballroom Facility and the Ballroom Facility. In the event Agency enters into a sublease or an operating agreement for the operation of the Ballroom Facility, Agency shall remain liable for its obligation under this License. For purposes of this Section 1102, the term "Ballroom Facility" shall be construed or interpreted to include, the Agency Ballroom within the first twelve (12) Lease Years of this License if Hotel Lessee has not yet elected to expand the Ballroom Facility.

This Section 1102 shall not apply to assignments, conveyances or transfers for financing which shall be governed by Section 1202 of this License.

XII. [§ 1200] MORTGAGES

A. [§ 1201] Hotel Lessee

Hotel Lessee shall have the right, but only as expressly permitted by Article 900 of the Lease, and subject to the limitations and conditions therein contained, to mortgage, pledge, deed in trust and/or collaterally assign its interest in this License or the Ballroom Facility, or assign or pledge assignment of the same as security for debt. Leasehold mortgagees (as defined in the Lease), if any, shall have the same rights with respect to this License as set forth in Section 902 of the Lease as applicable. Any action taken by a leasehold mortgagee under Section 902 of the Lease which operates to preserve its rights under the Lease (including obtaining a new Lease) shall operate to preserve such leasehold mortgagee's rights under this License.

B. [§ 1202] Agency

In the event Agency shall mortgage, pledge, deed in trust, assign rents, issues and profits and/or collaterally assigns part of Parcel 3 containing the Ballroom

Facility or the Ballroom Facility itself, which Agency shall have the right to do from time to time and at any time without any consent of Hotel Lessee being required, then any such encumbrance, as it pertains to such part of Parcel 3 and the Ballroom Facility, shall be subject and subordinate to the terms of this License. For purposes of this Section 1202, the term "Ballroom Facility" shall be construed or interpreted to include, the Agency Ballroom within the first twelve (12) Lease Years of this License if Hotel Lessee has not yet elected to expand the Ballroom Facility.

XIII. [§ 1300] TERM

A. [§ 1301] Generally

The term of this License shall be the period commencing on the Effective Date of the Lease as provided in Section 202 of the Lease, and terminating fifty (50) years thereafter, (except that, if Lessee exercises its option to extend the initial fifty (50) year term of the Hotel Lease, this License shall automatically extend for a period coterminous with said Hotel Lease unless and until Agency ceases operating the Conference Center) or on the date resulting from an earlier termination as hereinafter set forth, except that this License shall terminate upon expiration or earlier termination of the Lease, it being understood however that payment of the Basic License Fee and the Percentage License Fee commence during the first Lease Year as defined in Section 100.I. of this License.

B. [§ 1302] Early Termination

1. [§ 1303] Default

Notwithstanding Section 1301, in the event Hotel Lessee shall be in default of any material provision of this License or any material provision of the Lease applicable to the Ballroom Facility, and such default shall not be cured within thirty (30) days after written demand by Agency, or commenced to be cured within thirty (30) days and cured promptly in a continuous and diligent manner within a reasonable period of time after commencement, then Agency at its option, may terminate this License, upon thirty (30) days prior written notice to Hotel Lessee specifying the condition or conditions upon which the termination is based. In the event of any dispute as to whether such condition or conditions exists, the dispute shall be submitted to arbitration according to the procedures described in Section 1214 of the Lease. In the case of a dispute arbitrated over the payment of the Percentage License Fee, Hotel Lessee shall not be in default unless it failed to pay the fee after a resolution by the arbitrator that payment was due. Upon any such termination, neither Hotel Lessee, Agency or any other persons (including leasehold mortgagees, if any, except for the right of any such leasehold mortgagee, to cure a default as provided in the Lease) shall have any further rights, obligations or liabilities to each other with respect to the Ballroom Facility under this License or the Lease. The provisions of this Section 1303 notwithstanding, nothing stated herein shall be construed or interpreted as giving Agency the right to terminate the Lease in the event Hotel Lessee is in default of any material provision of this License and fails or refuses to cure such default as provided herein.

2. [§ 1304] Cessation of Conference Center

Notwithstanding Section 1301, in the event that Agency shall cease to maintain and operate the Conference Center pursuant to Section 1417 of the Lease, but not prior to 35 years following the Effective Date of the Lease, then this License shall terminate upon the date specified in a written notice sent by Agency to Hotel Lessee notifying Hotel Lessee of the date upon which operation of the Conference Center will cease, which notice shall be served by Agency at least sixty (60) days prior to such cessation. In such event, the provisions of Section 1306 shall apply and the termination of this License shall not occur until the Ballroom Facility has been transferred to Hotel Lessee as therein provided.

3. [§ 1305] Mutual Agreement

Hotel Lessee and Agency, with the written consent of any leasehold mortgagees under the Lease, may also terminate this License at any time by mutual agreement.

C. [§ 1306] Hotel Lessee Rights After Expiration
 or Early Termination of This License

In the event this License is terminated as provided in Section 1304, or at such time as this License expires by its terms, then concurrently with such termination or expiration, Agency and Hotel Lessee shall execute, acknowledge and record a supplement to the Lease adding the Ballroom Facility as part of the premises leased to Hotel Lessee under the Lease, and all terms, covenants and conditions of the Lease shall apply in like manner to the Ballroom Facility as to Parcel 1 and the Improvements. At the time the Ballroom Facility is added to the Lease it shall be in the condition required to be maintained by Agency pursuant to the terms of Section 401 hereof, and architecturally complete and functional with HVAC and other utilities necessary to operate the Ballroom Facility, free and clear of all liens and encumbrances except liens and encumbrances which are subject and subordinate to the Lease and Hotel Lessee's and leasehold mortgagee's rights thereunder with respect to which Hotel Lessee and leasehold mortgagees shall have no obligations. Said Ballroom Facility shall also contain all equipment, furniture, furnishings and fixtures located thereon or used or usable in connection therewith prior to expiration or termination of the License and necessary to operate said Ballroom Facility. In the event the Ballroom Facility is added to the Lease at or prior to the expiration of the initial fifty (50) year term of the Lease, then the readjustment of Minimum Annual Rent for Parcel 1 as provided for in paragraph (d) of Section 203 of the Lease, shall be based upon the market value of Parcel 1 as therein defined, but including consideration of the availability, and the benefits and burdens, including, but not limited to, the costs and expenses of maintaining, repairing, replacing, operating and using the Ballroom Facility and its equipment and amenities as part of the Hotel, specifically limited to use as a Ballroom Facility. Upon the execution of the supplement to the Lease, applicable amounts of revenue attributable to the Ballroom Facility shall be included in the definition of Gross Food and Beverage Revenues in Section 305 of the Lease. In such event, Hotel Lessee shall have no further obligation to pay the Basic License Fee or the Percentage License Fee from and after the effective date of any such lease supplement.

D. [§ 1307] Ownership of Dinner Settings

Upon termination of this License pursuant to the terms of Section 1303 hereof, or upon termination of the Lease, the ownership of the dinner settings required to be provided by Hotel Lessee pursuant to Section 402 of this License shall be deemed to be in Agency free and clear of all liens or claims thereto by Hotel Lessee or any third person or entity.

XIV. [§ 1400] DEFAULTS AND REMEDIES

A. [§ 1401] Defaults - General

Subject to the extensions of time set forth in Section 1410, failure or delay by either party to perform any term or provision of this License constitutes a default under this License. The party who fails or delays must immediately commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence, and during any period of curing shall not be in default.

The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as otherwise expressly provided in this License, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies.
