WHEREAS, the Recycling and Waste Reduction Commission of Santa Clara County (“Commission”) has determined that a Countywide AB939 Implementation Fee (Fee) is necessary, pursuant to Public Resource Code 41901, to assist in funding the costs of preparing, adopting and implementing integrated waste management plans and programs in the fifteen cities and the unincorporated area of the county;

WHEREAS, in 2015, the Board of Supervisors approved the Fee for Fiscal Years 2016, 2017, and 2018 at \$4.10 per ton of waste to be disposed;

WHEREAS, the Commission hereby recommends that the Board approve the Fee for Fiscal Years 2019, 2020, and 2021 at \$4.10 per ton of waste to be disposed;

WHEREAS, the Fee shall be imposed on each ton of waste landfilled or incinerated within the County; received at any non-disposal or collection facility located within the County and subsequently transported for disposal or incineration outside of the County; collected from any location within the County by a solid waste hauler operating pursuant to a franchise, contract, license, or permit issued by any local jurisdiction and subsequently transported for disposal or incineration outside of the County; or removed from any location in the County by any person or business for disposal or incineration outside the County; and

These wastes include, but are not limited to, common household products such as household cleaning products, furniture polish, solvents, oven cleaner, pesticides, oil based paints, motor oil, antifreeze, fluorescent lamps, and batteries; and

WHEREAS, the County will collect the Fee on behalf of the fifteen cities and the unincorporated area and will apportion the Fee according to the terms of this Agreement.

NOW, THEREFORE, CITIES and COUNTY AGREE AS FOLLOWS:

1. PURPOSE

The purpose of this Agreement is to state the terms and conditions under which the COUNTY will collect and distribute the Fee of \$4.10 per ton in Fiscal Years 2019, 2020 and 2021 of waste to be disposed. The Fee is divided into two parts: 1) a Program Fee of \$1.50 per ton to assist in funding the costs of preparing, adopting, and implementing the integrated waste management plan in the fifteen cities and the unincorporated area of the County; and 2) a Household Hazardous Waste (HHW) Fee of \$2.60 per ton to provide funding to implement the Countywide HHW Program. The Program Fee will be allocated among jurisdictions as described in Exhibit C, attached hereto and incorporated herein. The HHW Fee will be allocated to the COUNTY, CITIES, and Countywide HHW Program and participating jurisdictions as described in Exhibit C, attached hereto and incorporated herein. The Fee shall be imposed on each ton of waste landfilled or incinerated within the County; received at any non-disposal or collection facility located within the County and subsequently transported for disposal or incineration outside of the County; collected from any location within the County by a solid waste hauler operating pursuant to a franchise, contract, license, or permit issued by any local jurisdiction and subsequently transported for disposal or incineration outside of the County; or removed from any location in the County by any person or business for disposal or incineration outside the County. Non-Disposal Facilities are defined as those facilities included in the County of Santa Clara Non-Disposal Facility Element (and subsequent amendments to that Element) and are listed in Exhibit A, attached hereto and incorporated herein.

2. SERVICES PROVIDED BY COUNTY

COUNTY will collect and distribute the Fee. COUNTY will collect the Fee from landfills and non-disposal facilities listed in Exhibit A, and any landfill or non-disposal facility subsequently permitted, on a quarterly basis using data from tonnage reports filed by landfill and non-disposal facility operators with the County Recycling and Waste Reduction Division. The COUNTY shall require each landfill and non-disposal facility to submit required payment, documentation of tonnages disposed, and state-mandated Disposal Reporting System Reports on a quarterly basis, within 45 days of the end of each calendar quarter. Late submissions and/or payments shall be subject to a late filing penalty and delinquent penalties. COUNTY will research Santa Clara County tonnage reported to COUNTY by landfills outside the COUNTY in significant

amounts to determine the identity of the hauler. That hauler will subsequently be billed in the same fashion subject to the same penalties as mentioned above. Collected funds and any late filing payments and delinquency penalties shall be distributed to CITIES and Countywide HHW Program based on the formula set forth in Exhibits B and C. COUNTY shall not be obligated to distribute funds that COUNTY has been unable to collect from landfill or non-disposal facility operators.

3. ROLE OF CITIES

CITIES shall review the Disposal Reporting System Reports as prepared and submitted by the COUNTY and within 30 days of receipt shall report to COUNTY, with appropriate documentation, errors in waste allocations among jurisdictions.

4. COLLECTION AND USE OF FEE

Each ton of waste will be subject to the Fee. Best efforts will be made to prevent tonnage from being assessed a double fee (once at a non-disposal facility and again at a landfill within Santa Clara County). The Program Fee funding share paid to CITIES shall be used to assist in funding the costs of preparing, adopting, and implementing the integrated waste management plan of each of the CITIES and the unincorporated area of the COUNTY. The HHW Fee portion shall assist in funding the costs of each of the CITIES share of HHW operations.

5. INSURANCE

Each party shall maintain its own insurance coverage, through third party insurance, self-insurance or a combination thereof, against any claim, expense, cost, damage or liability arising out of the performance of its responsibilities pursuant to this Agreement. CITIES agree to provide evidence of such insurance to COUNTY via Certificate of Insurance or other documentation acceptable to the COUNTY upon request.

6. INDEMNIFICATION

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between CITIES and COUNTY pursuant to Government Code Section 895.6, the parties agree that all losses or liabilities incurred by a party shall not be shared pro rata but instead the parties agree that each of the parties hereto shall fully indemnify and hold each of the other parties harmless from any claim, expense or cost, damage or liability arising out of, or in connection with, performance of its responsibilities pursuant to this Agreement and as described in Exhibit D.

Additionally, CITIES shall indemnify, hold harmless, and defend COUNTY, its officers, agents, and employees with respect to any loss, damage, liability, cost or expenses, including attorney fees and court costs, arising from any misuse of the Fee distributed to CITIES. COUNTY shall indemnify, hold harmless, and defend CITIES, its officers, agents, and employees with respect to any loss, damage, liability, cost or expenses,

including attorney fees and court costs, brought by third parties based on COUNTY's sole negligence in the collection or distribution of said Fees.

7. DISTRIBUTION OF FEE

COUNTY shall distribute the Fee to CITIES and the Countywide HHW Program pursuant to the formulas described in Exhibits B and C within 45 days of receipt of landfill and non-disposal facility payments and disposal documentation required for calculation of Fee distribution amounts. Distributions shall begin December 15, 2018, and continue quarterly through October 15, 2021.

8. PARTICIPATION IN THE COUNTYWIDE HHW PROGRAM

CITIES, at their option, may individually participate in the Countywide HHW Program by entering into the AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM.

9. LATE PAYMENTS

If Fee payments and disposal documentation are not received from landfill or non-disposal facility operators prior to scheduled distribution of payments to CITIES and the Countywide HHW Program, payment distribution shall be calculated on a pro rata share of monies received. Upon collection, late payments and accrued delinquent penalties, if any, shall be distributed among CITIES and the Countywide HHW Program according to the formula in Exhibits B and C.

10. ACCOUNTING

COUNTY shall maintain records of all transactions related to collection, use and distribution of the Fee for at least five (5) years after the termination date of this Agreement, unless otherwise required by law to retain such records for a longer period. Such records will be available for inspection upon written request by CITIES, and will include but not be limited to tonnage reports submitted by landfills and non-disposal facilities, waste stream documentation provided by cities, payments made by the landfills and non-disposal facilities to the COUNTY and by the COUNTY to CITIES, and expenditures for programmatic and overhead costs.

11. REQUEST FOR REVIEW

In the event CITIES have a dispute regarding the calculation of its share of the Fee or the distribution or use of the Fee, CITIES may request in writing a review by COUNTY within 10 days of receipt of their Fee allocation. The review shall be performed within 30 days of request and results shall be reported to CITIES in writing.

12. EFFECTIVE DATE OF AGREEMENT

This agreement is effective upon approval by all fifteen CITIES and the COUNTY.

13. AMENDMENT

This Agreement may be amended only by a written instrument signed by all fifteen CITIES and the COUNTY.

14. INDEPENDENT CONTRACTOR

Each party shall perform responsibilities and activities described herein as an independent contractor and not as an officer, agent, servant or employee of any of the parties hereto. Each party shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any. Nothing herein shall be considered as creating a partnership or joint venture between the parties.

15. TERM OF AGREEMENT

The term of this Agreement shall be from July 1, 2018 to June 30, 2021, or until all funds collected covering the period through June 30, 2021 have been distributed, whichever is later. COUNTY shall bill the operators of the landfills and non-disposal facilities listed in Exhibit A for the Fee commencing with the Quarter ending September 30, 2018. Said landfills and non-disposal facilities will be billed for the Fee through June 30, 2021.

16. NOTICES

All notices required by this Agreement will be deemed given when in writing and delivered personally or deposited in the United States mail, postage prepaid, return receipt requested, addressed to the other party at the address set forth below or at such address as the party may designate in writing in accordance with this section.

FORMULA FOR DISTRIBUTION OF AB939 PROGRAM FEE

As documented in quarterly reports submitted by the County to the State Disposal Reporting System, each jurisdiction located in Santa Clara County (County) will receive \$1.50 per ton of solid waste, which originates from their respective jurisdiction, that is:

- a) disposed of in landfills or incinerated within the County,
- b) received at any non-disposal or collection facility located within the County and subsequently transported for disposal or incineration outside of the County,
- c) collected from any location within the County by a solid waste hauler operating pursuant to a franchise, contract, license, or permit issued by any local jurisdiction and subsequently transported for disposal or incineration outside of the County, or
- d) removed from any location in the County by any person or business for disposal or incineration outside the County.”

Fees collected from undocumented disposed tonnage, or tonnage originating outside of Santa Clara County, will be distributed according to each jurisdiction's percent of countywide population, according to the latest available population report issued by the California Department of Finance.

EXHIBIT C

COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE PROGRAM FEE (HHW Fee)

1. PROGRAM FUNDING SOURCE

HHW Program services are directly mandated under AB939, which establishes statutory authority to provide for funding to support planning and implementation of integrated waste management programs. The AB939 HHW Fee, of \$2.60 per ton, collected as part of the AGENCY AGREEMENT FOR COUNTYWIDE AB939 IMPLEMENTATION FEE will be the primary source of funding for Countywide Household Hazardous Waste (CoHHW) Program services.

Funds derived from the AB939 HHW Fee will be allocated among five types of CoHHW Program service costs as follows:

- A. Fixed Program Costs will be apportioned based on the number of households in each participating jurisdiction. The number of households will be determined at the beginning of each Fiscal Year by statistics compiled by the California Department of Finance, Demographic Research Unit from their most recent Report, "Population Estimates for California Cities and Counties."
- B. San Jose Facility Use Surcharge will be apportioned based on CITY's anticipated participation at the County Household Hazardous Waste Collection Facility located at 1608 Las Plumas Avenue, San Jose.
- C. Variable Cost Per Car provides a base level service of 4% of households in all participating jurisdictions. The number of households will be determined at the beginning of each Fiscal Year by statistics compiled by the California Department of Finance, Demographic Research Unit from their most recent Report, "Population Estimates for California Cities and Counties."
- D. Available Discretionary Funding funded on tonnage generated per participating jurisdiction.
- E. Abandoned Waste Disposal Costs will fund disposal of HHW illegally abandoned at Nonprofit Charitable Reuser organizations as defined in PUBLIC RESOURCES CODE SECTION 41904.

2. FIXED PROGRAM COST

Fixed Program Costs shall be \$2.99 per household in Fiscal Years 2019, 2020 and 2021. Estimated HHW Fixed Costs are projected in Attachments A and B, attached hereto and incorporated herein. Fixed Program Costs may include, but are not limited to up to ten (10) CoHHW Program staff members, facility leasing costs, vehicle lease costs, office rent, office

supplies, county administrative overhead, county legal counsel, training costs, equipment and facility maintenance and union negotiated salary and benefit changes.

3. ABANDONED WASTE DISPOSAL COST

Abandoned Waste Disposal Costs for Fiscal Year 2019, 2020 and 2021 will be \$0.05 per household for all households in the cities and towns of Santa Clara County and in the unincorporated area of the County. The Abandoned Waste Disposal Cost will fund disposal of HHW illegally abandoned at Nonprofit Charitable Reuser organizations defined in PUBLIC RESOURCES CODE SECTION 41904. Estimated Abandoned Waste Disposal Cost is projected in Attachment A of the AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM.

For the purposes of this agreement, PUBLIC RESOURCES CODE SECTION 41904 defines a nonprofit charitable reuse organization as follows: "Nonprofit charitable reuser" means a charitable organization, as defined in Section 501(c)(3) of the federal Internal Revenue Code, or a distinct operating unit or division of the charitable organization, that reuses and recycles donated goods or materials and receives more than 50 percent of its revenues from the handling and sale of those donated goods or materials.

4. SAN JOSÉ FACILITY USE SURCHARGE

The San José Facility Use Surcharge is estimated to be \$6.83 per car for Fiscal Years 2019, 2020 and 2021. The total San José Facility Use Surcharge for CITY will be based on CITY's participation at the County Household Hazardous Waste Collection Facility located at 1608 Las Plumas Avenue, San José. Estimated San José Facility Use Surcharges are projected in Attachment A of the AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM.

5. VARIABLE COST PER CAR

The Variable Cost Per Car is the cost associated with actual labor, waste disposal, transportation and other services provided to the residents at the County Household Hazardous Waste Collection Facilities (CoHHWCF) and at Temporary Events. The Variable Cost Per Car is estimated to be approximately \$62 per car for Fiscal Years 2019, 2020 and 2021. The estimated cost per car will be adjusted to reflect actual service costs. After Fixed Program Costs and San Jose Facility Use Surcharge are allocated on a per household basis, the Variable Cost Per Car will be used to calculate the costs to service 4% of households across all participating jurisdictions. If the level of 4% of households is not reached in a particular jurisdiction, the CoHHW Program may use the remaining balance of funds, in cooperation with the CITY that has less than 4% participation levels, to increase public outreach and/or provide additional services in that jurisdiction the following year.

6. AVAILABLE DISCRETIONARY FUNDING

The Available Discretionary Funding portion of the AB939 HHW Fee will be allocated based on the tons of waste generated within each jurisdiction, and after allocation of Fixed Program Costs, San José Facility Use Surcharge, and Variable Cost Per Car allocation. Available Discretionary Funds will be paid as directed by each jurisdiction. Available Discretionary Funds must be used for HHW purposes. Options for how to spend these funds include, but are not limited to, increasing the number of residents served in that jurisdiction by the CoHHW Program, subsidizing curbside used motor oil collection, electronic waste (e-waste) collection, universal waste collection, emergency HHW services, funding HHW public education, the support of capital infrastructure projects to accommodate HHW drop-off and collection events, or providing special programs such as retail collection of certain waste and/or door-to-door collection of HHW for the elderly and/or persons with disabilities and neighborhood clean-up events.

7. PROGRAM FUNDING PASS-THROUGH

Annual funding calculations include HHW Fees collected on behalf of all County jurisdictions. CITIES, at their option, may participate in the Countywide Household Hazardous Waste Program by entering into the AGENCY AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM. CITIES not participating in the Agency Agreement will receive their pro-rata share of funding received by the COUNTY from the HHW Fee.

If CITIES not participating in the AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM desire to permit residents to participate in HHW Program services on an emergency basis, then services to these residents will be provided on a cost recovery basis. A charge equal to the established rates charged by the Countywide HHW Program to Conditionally Exempt Small Quantity Generators (CESQG) will be billed to the CITIES. A CITY'S representative must call the Countywide HHW Program appointment line to schedule an appointment for the resident. The pro-rata share of liability will be shared as defined in Section 27 of AGENCY AGREEMENT FOR COUNTYWIDE HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM and as described in Exhibit D.

EXHIBIT D**SECTION 27 OF AGENCY AGREEMENT
FOR COUNTYWIDE HOUSEHOLD HAZARDOUS
WASTE COLLECTION PROGRAM****HOLD HARMLESS AND INDEMNIFICATION**

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between CITY and COUNTY pursuant to Government Code Section 895.6, the parties agree that all losses or liabilities incurred by a party shall not be shared pro rata but instead COUNTY and CITY agree that pursuant to Government Code Section 895.4, each of the parties hereto shall fully indemnify and hold each of the other parties, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such party under this Agreement. No party, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of the other parties hereto, their officers, board members, employees or agents, under or in connection with or arising out of any work authority or jurisdiction delegated to such other parties under this Agreement.

Additionally, CITY shall indemnify COUNTY for CITY's apportioned share of any liability incurred and attributed to the Countywide HHW Program for the transportation, treatment, or disposal of the household hazardous waste, once the waste has been accepted by a licensed hazardous waste hauler. Apportionment for disposal liability shall be determined by each participating jurisdiction's pro rata proportion of household participation in the Program. Apportionment for transportation and treatment liability shall be determined by each participating jurisdiction's pro rata household participation at the event where the waste was generated. COUNTY will use reasonable efforts to obtain recovery from all available resources, including insurance, of any liable hauler or liable disposal facility operator. No liability shall be apportioned to CITY for transportation, treatment or disposal in any case where COUNTY has contracted for such services and has failed to require the contractor to maintain the insurance requirements set forth in Section 24 above.

CITY shall further indemnify COUNTY for CITY's apportioned share of liability incurred and attributed to the Countywide HHW Program for the transportation, treatment or disposal of household hazardous waste at corporate sponsored events where non-county resident employees of the corporate sponsor are authorized to participate in the event. Liability for the nonresident portion of the disposal of waste shall be shared by the cities and the COUNTY as described above. The nonresident portion shall be determined by calculating the percentage of nonresidents participating in the event. This percentage will then be subtracted from the total liability for the household hazardous waste prior to assessing CITY's apportioned share of any liability for the household hazardous waste.

COUNTY shall require CESQGs and Nonprofit Charitable Reusers to indemnify COUNTY for their apportioned share of any liability incurred and attributed to the Countywide HHW Program for the transportation, treatment, or disposal of their hazardous waste, once the waste has been accepted by a licensed hazardous waste hauler. The CESQG and Nonprofit Charitable Reuser portion of the waste shall be determined by calculating the percentage, by weight, of the total household hazardous waste accepted by the CoHHW Program. This percentage will be used to calculate the portion of liability attributed to CESQGs and Nonprofit Charitable Reusers and will be subtracted from the total liability prior to assessing CITY's apportioned share of any liability for household hazardous waste.
