**PREAMBLE**

This Reimbursement Agreement ("Agreement") is by and between NASH – Holland Calle De Luna Investors, LLC, a Delaware limited liability company, ("Holland") and the City of Santa Clara, California, a chartered California municipal corporation ("City"). Holland may be referred to as "Applicant." City and Applicant may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

**RECITALS**

- A. The City has initiated a Specific Plan and related General Plan Amendment and environmental review pursuant to the California Environmental Quality Act ("CEQA") for the Tasman East Specific Plan ("TESP").
- B. The Applicant desires to develop a project within the Tasman East Specific Plan area (Proposed Project).
- C. The City expects to incur various costs and expenses including planning consultant fees to provide entitlement review services for planning applications of the Proposed Project. City intends to retain planning consultants with expertise in development review and urban design matters ("Planning Consultants") to assist in the reviewing of development planning applications for conformance to relevant codes and policies, project management and coordination of development applications with City departments and other applicable agencies, analysis of environmental clearance documents for conformance to CEQA, preparation of reports and presentations, and attendance at relevant meetings, associated with the Proposed Project.
- D. Applicant is willing to reimburse City for certain Eligible Costs to be incurred by City in connection with the utilization of Planning Consultants to provide entitlement review services for planning applications within the Tasman East Specific Plan area, as set forth herein.

In consideration of the recitals and mutual promises contained herein, the Parties agree as follows:

**AGREEMENT PROVISIONS**

**1. PURPOSE OF AGREEMENT**

The purpose of this Agreement is to provide for payment by Applicant of all Eligible Costs (defined below) directly or indirectly incurred by City in connection with the Proposed Project.

## **2. REIMBURSEMENT OBLIGATION**

A. The Applicant shall reimburse the City for Planning Consultant fees associated with the technical review, project management, environmental review, report and presentation preparation of the Proposed Project, including Planning Consultant fees and costs incurred in connection with the review of Planning Applications for the Proposed Project (collectively, the “Eligible Costs”) in accordance with this Agreement.

B. The total amount of Eligible Costs is estimated to be \$30,000 per development project for a total of \$30,000 to cover planning applications for one development project (“Estimated Budget”). City agrees to use its best efforts to stay within the Estimated Budget. In the event that additional services are required that would exceed the Estimated Budget, City shall give the Applicant 10 business days’ advance written notice prior to authorizing any work that would cause the Eligible Costs to exceed the Estimated Budget, which notice shall document the budget for additional services that would exceed the Estimated Budget (“Additional Budget”). If City and Applicant cannot agree to the scope and cost of said additional services in writing, this Agreement may be terminated or extended pursuant to Section 6. Applicant shall provide an amount to cover additional costs prior to the commencement of additional services, unless the Parties agree to an alternate funding allocation as part of the review and approval of the scope and cost of said additional services.

C. City reserves the right to seek reimbursement for costs incurred by City from any parties who submit development applications for properties within or in the vicinity of the Tasman East Specific Plan in the future.

## **3. PAYMENT OF ELIGIBLE COSTS**

A. Upon execution of this Agreement, Applicant shall deposit with City the Estimated Budget in cash or other immediately available funds (“Payment”) in satisfaction of Applicant’s obligation to pay Applicant’s Share of Eligible Costs.

B. If the City provides notice pursuant to Section 2.B of this Agreement that additional services are required that would cause the Eligible Costs to exceed the Estimated Budget, the Applicant shall deposit with City the [Additional Budget] in cash or other immediately available funds (“Additional Payment”) in satisfaction of Applicant’s obligation to pay Eligible Costs.

C. City shall withdraw from the Payment and Additional Payment, if any, as necessary to cover the Eligible Costs. On a monthly basis, City shall provide written notice to the Applicant documenting: (1) the amount of Eligible Costs incurred to date; (2) the amount of Payments and Additional Payments, if any, that the City has used to pay Eligible Costs incurred to date; and (3) the remaining balance of the Applicant’s Payment and Additional Payments, if any.

D. The Applicant makes this commitment without regard to the City’s ultimate decision whether to approve the Proposed Project.

#### **4. REFUND OF UNEXPENDED BALANCE**

A. In the event this Agreement is terminated as provided in Section 6 below, City shall return to the Applicant within 30 days following the effective date of termination that portion of the Payment or Additional Payment, if any, that has not been expended or committed by City as provided herein.

B. Any unexpended funds shall be returned to the Applicant within 45 days after (1) the City approves or denies all relevant planning applications associated with the Proposed Project. City shall provide copies of invoices and other documents to verify final costs for services.

#### **5. NO COMMITMENT AS TO FUTURE APPROVALS**

Nothing in this Agreement shall be construed as a commitment to grant or issue any preliminary or final approvals in connection with the Proposed Project. The Applicant acknowledges and agrees that nothing in this Agreement limits City's discretion, in any manner, with respect to any aspect of the Proposed Project. The Applicant agrees that it shall remain obligated to pay Applicant's Share of all Eligible Costs, regardless of whether any aspect of the Proposed Project is approved.

#### **6. TERM; TERMINATION OF AGREEMENT**

A. The term of this Agreement shall be from the Effective Date until the date the services identified in Recital C have been fully performed and paid for, unless terminated earlier.

B. Any Party may terminate this Agreement without cause by giving the other Parties written notice ("Notice of Termination") which clearly expresses that Party's intent to terminate the Agreement. Notice of Termination shall become effective no less than ten (10) calendar days after all Parties receive such notice. No Applicant shall have an obligation to pay any Eligible Costs incurred on or after the effective date of the termination, but shall remain responsible for any Eligible Costs incurred prior to the effective date of the termination.

C. In the event of termination of this Agreement, City shall prepare a statement for all services rendered by City. City will refund any unexpended balance of the Applicant's funds to the Applicant in accordance with Section 4 of this Agreement.

#### **7. ASSIGNMENT**
