house and 775 Madisor on our shared property	ay but got a call from my house sitter that Silicon Valley Power was marking up space in front our not be spaced in Front our notation. I spoke to Tony Ochoa from SVP and they are adding poles in front of both houses, as the pole line is damaged. They are not fixing or removing the old pole. But adding more poles in front of
	ical neighborhood, is there any review for impacts or recourse we can take?

 Does SVP need to give more than 48 hr notification to the home owner if they want to install a pole smack in front of my window? It's absolutely going to effect my street scape. I came home today (Saturday) and found these markings. Do you know who I can contact to get them to stop work? Thanks! Patricia Leung The information contained in this email may be privileged, confidential and exempt from disclosure under applicable 		•
