SCOPE OF SERVICES

The Services to be performed for the City by the Contractor under this Agreement are set forth below.

In a letter dated April 2, 2015 ("Letter"), the Santa Clara County Department of Environmental Health ("County" or "DEH"), acting as the Solid Waste Local Enforcement Agency, has required the City of Santa Clara ("City"), as the applicant for the planned development of the mixed-used project located in City, and commonly referred to as City Place Santa Clara ("Project"), to retain a suitably qualified independent consultant(s) to provide third party review to DEH for its review of the Project.

Contractor shall provide technical advice and assistance to the County for its review of the Project on behalf of the City. The Consultant will coordinate efforts with the City and the County.

The work involves environmental review of permit applications, landfill closure plan, site development plans, and other information as necessary to evaluate and prepare plan review documents for submission to the County. The review will be performed in collaboration with Barry Milstone, who will be reviewing the geotechnical aspects of the Project. The scope of services for the review will include the following:

- Review of project documents, including plans, specifications, and geotechnical investigation materials;
- Site reconnaissance to observe current site conditions;
- Direct communications, on an as-needed basis, with the project design team to request any materials required for clarification and to convey items to be addressed by the design team;
- Participation in required meetings with design team and regulatory personnel;
- Coordination of review efforts with Barry Milstone;
- Telephone consultation with County representatives and CalRecycle representatives; and
- Preparation, with Barry Milstone, of plan review documents for submission to County.

The Contractor recognizes that the City has contracted for the services described above to assist the County with the preparation of environmental review documents. The Contractor may be directed or ordered by the County without invalidating this agreement.

The Contractor agrees to keep confidential, and not to misappropriate, disclose or make available, any and all information concerning the plans, operations or activities of the City, its parent, affiliates, divisions and subsidiaries which the Contractor may learn or discover from any source whatsoever in the performance of the services under this agreement, and Contractor shall not use the name of the Developer or the Developer logo on any division or project of Developer or otherwise without the prior written consent of City, which consent may be withheld in the City's sole and absolute discretion. Upon termination of this agreement, upon request of the City, the Contractor shall promptly return to the City's possession all copies of any writings, drawings or other confidential information which are then in the possession or control of the Contractor. The Contractor further agrees that, upon the request of the City at any time under this agreement, the Contractor shall promptly return to the City all such copies of writings, drawings or other confidential information which are then in the possession or control of the Contractor.
