Hello Tiffany - here is a list of the items I believe I can take care of in the next 18 months in order to stay on the Mills Act. Please feel free to let me know which ones the city deems more important and when they would like to see them completed.

- 1) Finish gutters on house
- 2) Complete/fix trim on house
- 3) Paint deck railing
- 4) Put sod or some sort of ground covering in front yard

Let me know if this is sufficient - or add to it if you would like.

Kind Regards,

Kim Khoe
