Subject: Mills Act contract review

Good morning Yen, I hope you are well.

We met a while ago through a mutual acquaintance, Rob Mayer. He introduced me to you.

I am contacting you regarding the mailer notice I just received regarding the Mills Act contract review public meeting. Earlier this year, the property at 741 Lincoln Street was sold and I no longer own it. As I just received this notice, I am concerned for the new owner of the property whom should be informed of this meeting.

I will follow up with a call to you to hopefully discuss and resolve.

Enjoy your morning,
