SUBJECT: Off-Site Parking

Dear Mr. Mercurio:

Per the terms of the Stadium Management Agreement¹,

Stadium Manager shall have full authority and discretion to select the off-site private parking locations for Stadium Events, and to negotiate, approve, enter into and administer contracts with the private parking lot owners for the use of their parking spaces for all or certain of such Stadium Events which agreements may also make provision, to the extent available, for additional parking for surrounding properties that would be paid for by such properties ("Private Parking Agreements"). At the quarterly meeting described in Paragraph 3.3 above, the Stadium Manager shall report on the status of such Private Parking Agreements, the status of any ongoing negotiations with private parking lot owners, and the financial performance and other matters relating to the off-site private parking locations for Stadium Authority Events, and such other similar or other topics as the Stadium Authority may request.

As we discussed during our most recent Quarterly Status Meeting on August 23, 2018 monthly coordination meeting, the notification currently provided via email from the Forty Niners Stadium Management Company LLC (ManCo) to the City of Santa Clara (City) on behalf of the Forty Niners SC Stadium Company LLC (StadCo) pursuant to the Parking Rights Agreement² does not satisfy this agreement provision. The February 14, 2018 notification emailed to me is attached for your reference.

Beginning with the next Quarterly Status Meeting³ on November 29, 2018, please provide written reports in accordance with the above agreement provision including but not limited to the location, parking capacity and availability dates for large non-NFL events; in addition, load the financial performance data, including detail of all revenues and expenditures by location and agreement, in Microsoft Excel or some other electronic spreadsheet format on the laptop in the Santa Clara Stadium Authority (SCSA) office at Levi's Stadium as it becomes available and at least two weeks before every Quarterly Status Meeting. Notify SCSA Treasurer Angela Kraetsch and Stadium Authority Auditor Linh Lam when information is available on the laptop.

Sincerely,

Deanna J. Santana
Executive Director
