Statement of Values

STATEMENT

As we gather this evening, we humbly seek the blessings upon this meeting.

May we act with strength, courage and will to perform our obligations and duties to our people with justice to all.

Let us seek wisdom so that we may act in the best interest of our people, our neighbors, and our country.

All this we ask so we may serve our community with fairness and respect, putting their needs before all.

The Statement of Values is read after the Pledge of Allegiance at each City Council meeting.
