

The seal of the City of Santa Clara, California, is circular. It features a central illustration of a mission-style building with a red roof and a bell tower, set against a blue sky with clouds. Below the building is a green field. The year "1852" is prominently displayed in the center. The outer ring of the seal contains the text "CITY OF SANTA CLARA CALIFORNIA" at the top and "THE MISSION CITY" at the bottom.

Background

- On November 13, 2018 Council directed staff to enter into negotiations with Recology to amend the current agreement for residential recycling services through 12/31/21.
- This is a two-year extension only. The extension would align the expiration date with the agreement with Mission Trail Waste Systems.
- Staff targeted a mid-December 2018 date to complete negotiations. If amendment negotiations were unsuccessful, Council authorized staff to negotiate with other service providers.
- Recology submitted a proposal for an Amendment to the current agreement.

Summary

- New tariff rates are still less than the second lowest bidder in 2008.
- Customer billing rates will remain unchanged until July 1, 2019.
- Cost savings due to the utilization of the existing fleet of trucks for an additional 2 years.
- R3 has reviewed and audited the tonnage, cost and contracts brought forward by Recology and found the basis for a tariff increase to be reasonable and recommends approval.

13

Recommendation

1. Approve Amendment No. 2 with Recology to extend the term of the agreement until 12/31/21 and adjust the monthly tariff to \$4.34 per unit effective February 1, 2019
2. Authorize the transfer of \$251,000 from the Solid Waste Fund (096) balance to the FY 18/19 Solid Waste Fund's Payment for Recycling Garbage Collection and Disposal Services account (096-2934-87860) to fund the additional unbudgeted tariff expenses
