Financial Status Report as of December 31, 2018

General Fund Revenues

Sales Tax: The City of Santa Clara sales tax rate is 9% of which the City receives 1%. Six months of sales tax equaled \$30.7 million, which was approximately 4.3% higher than anticipated for this time of year.

Property Tax: The majority of property tax revenue is collected in December and April each year. Compared to the prior year, property tax increased 11.4%, which can be attributed to higher property values and an increase in development.

Transient Occupancy Tax (TOT): TOT is calculated as a percentage of City hotel/motel room charges. The City's current TOT rate is 9.5%. Six months of TOT revenue reached \$11.2 million, which was 53.2% of annual estimated TOT revenue.

Other Taxes: Includes franchise tax and documentary transfer tax. Both franchise tax and documentary transfer tax were slightly lower than budgeted level due to timing of receipt of revenues.

Licenses & Permits: Includes business licenses, building permits, and other building and planning permits and fees. Overall licenses and permits revenue are outperforming expectations due to \$2 million in permit and planning fees from a large commercial development within the City in October 2018.

Fines & Penalties: Includes vehicle, parking, court fines, and miscellaneous penalty fines. These revenues are trending higher than expected as of December.

Intergovernmental: Includes motor vehicle fees, state homeowner tax relief, state mandated reimbursement, and redistribution of land sale proceeds and ground leases from the Successor Agency. Current year Intergovernmental revenue exceeds expectation due to the redistribution of property sale proceeds from the Successor Agency. The decrease of the \$2.2 million from the prior fiscal year was mainly due to the redistribution of \$2.3 million from the sale of Successor Agency Property (Hilton) in July 2017.

Charges for Services: Includes various plan check and zoning related fees, engineering fees, administrative fees, and community service revenue from various recreational activities. This revenue is trending ahead of budget for this time of year.

Contribution in Lieu: In accordance with the City's charter, Silicon Valley Power pays 5% of gross revenues as contribution-in-lieu of taxes. These revenues provide funding for general government services such as public safety, public works, parks and recreation, library, and administration. The 6.6% increase from the comparable previous year is a result of the increase in Electric Utility revenues.

Financial Status Report as of December 31, 2018

Use of Money & Property: Includes realized investment income and rental income. Both interest income and rent revenue are in line with budget.

Miscellaneous Revenues: Includes developer fees, donations, damage recovery, sale of scrap, and one time miscellaneous revenues. These revenues vary from year to year.

Stadium Operation: In order to provide more transparency, the revenues and expenditures related to Stadium operations are presented in one central location in the report instead of in individual departments as presented in the past. Stadium operating revenue is trending lower than budget due to timing, as a large portion of the budget is for performance rent that is not recorded until the end of March 2019.

Financial Status Report as of December 31, 2018

General Fund Expenditures

As of December 31, 2018, \$120 million or 47.7% of the General Fund operating budget had been expended. Expenditures in the General Fund as a whole are performing at the expected budgeted levels.

⁽¹⁾ The increase in the year-over-year expenditures in the City Manager's department is due to a 60% vacancy rate in key positions in the prior fiscal year.

Financial Status Report as of December 31, 2018

General Fund Expenditures

Below is an explanation of certain budget to actual expenditure variances by program. All other program expenditures not described below are trending as expected.

Non-Departmental: Includes expenditures that are not attributable to a single department but a function of the City in general. With 50% of the year complete, expenditures are at 13% of budget due to salaries and benefits savings from vacant positions, savings from budgeted contract services that have yet to begin, and savings from the Convention and Visitor's Bureau (CVB) budget allocation.

Operating Transfer Out – Santa Clara Golf & Tennis Center (SCGTC): This transfer is to the SCGTC management company, American Golf, to reimburse them for the actual monthly expenses of operating the facility. This expenditure is at 22% of budget or three months of activity due to a delay in receiving financial reports from American Golf. The City continues to work with American Golf to obtain complete financial reports and accurately record the remaining month's activities.

Governmental Capital Improvement Funds

The re-appropriation of prior year budget amounts "carryforwards" is necessary when services or projects are started but not completed at the end of fiscal year. This is especially true for the Capital Improvement Program (CIP) that typically spans several years.

The table below lists the total amended budget amount which consists of current year appropriations and prior year carryforwards in Governmental Capital Improvement Funds. The Street Beautification, Gas Tax, and Traffic Mitigation CIP funds have been combined with the Streets & Highways CIP fund beginning in fiscal year 2018-19.

Financial Status Report as of December 31, 2018

Below is an explanation of certain budget to actual revenue or expense variances by enterprise activity. Other enterprise revenues or expenses not described below are trending as expected.

Electric Utility Fund: Accounts for the activities of Silicon Valley Power (SVP). Revenue and expenses are trending higher than budget due to SVP issuing \$55M 2018A Revenue Bonds in order to retire the balance of the 2008B Revenue Bonds on December 18, 2018. A request to approve a budget adjustment to record the proceeds of the 2018A debt issuance and the corresponding retirement of the 2008B bonds is included as part of this report. Once this adjustment has been made, the actuals will be in line with budget.

Water Recycling Fund: Accounts for the construction, operation, and maintenance of the recycled water system within the City limits. Expenses are ahead of budget at December 31, 2018 due to increased usage of recycled water. This increase in expenses is offset by higher than budgeted charges for services revenue. Both are trending at approximately 55% of budget, slightly ahead of expectations. Staff will continue to monitor the activity throughout the year and will request a budget amendment if necessary.

Fund Reserves

By policy, City Council established the City's General Contingency Reserve, under which reserves for Budget Stabilization and Capital Projects were established.

- Budget Stabilization Reserve is set aside for weathering economic downturns, emergency financial crisis, or disaster situations. The reserve target is equal to the expenditures of the City's General Fund operations for three months (90-day or 25% General Fund Adopted Operating Budget).
- Capital Projects Reserve earmarks funds for the Capital Improvement Program.

Other General Reserves and Enterprise Fund Reserves included in this report are highlighted as follows:

- Building Inspection Reserve is to account for surplus funds from user fees in the Community
 Development Department's Building Inspection Division, and is restricted to fund Building
 Division costs.
- Land Sale Reserve is net proceeds from the sale of City owned land, and is available to be appropriated for General Fund expenditures.
- The Electric Utility Reserve assures that rates were set properly and sufficient operating cash is available to ensure debt service coverage.
- The Replacement and Improvement Reserve in the Water and Sewer Utility Funds is for future capital improvement.
- The Water Conservation Reserve is to enhance water conservation activities in response to the drought.

The table below summarizes the reserve balances.
