Forever Lawn	K9 Grass Classic	Yes	Polyethylene monofilament with heat set textured nylon thatch	Summer Green with Turf Green	0.75	72	87	Flow-thru backing	AlphaSan	None	Yes	10 years	Of the 3, Forever Lawn has the most experience, the most detailed solutions and testing for dog use, and the longest time in the industry (over 13 years). They also are generally the most expensive, but K9Grass Classic has a proven track record and is extremely durable. You get what you pay for with K9Grass Class.
SynLawn	Pet Platinum	No	Polyethylene with polyethylene Polyethylene thatch combined with polyethylene grass blades	Field Green with Apple Green	1.5	80	106	EnviroLoc system replaces up to 60% of petroleum based polyol with renewable soybeans	pet deodorizing top-dressing optional	minimal high-performance acrylic infill	Yes	limited lifetime	Vendor offers upgrades to "ensure protection against even the most destructive canine". Vendor offers special "ADA ramps" for their synthetic grass product to assist with the transition between turf and other surfaces for the mobility impaired.
	Pet Premium	No		Field Green with Apple Green	2	65	91						
ProGreen	K9 Championship	Yes	Fibrillated parallel long-slit monofilament with polyethylene thatch	Field Green with Olive Green	1.25	70	99	Proflow	ProGreen Pet Deodorizer Granules (see comments)	Coated silica sand	California distributor	8 years	ProFlow technology is a non-perforated backing that increases drainage capacity by over 100%. ProGreen Pet Deodorizer Granules remove pet urine odors from artificial grass. ProGreen Pet Deodorizer Granules are used as an infill between the blades of grass during installation.
	K9 Deluxe	Yes	Fibrillated monofilament with polyethylene thatch	Field Green with Olive Green	1.125	60	85						
Dog-On-It Parks	Syntetic Dog Park Turf	No	100% ultra-dense polyethylene (no infill required)	Turf Green							Everett Wash 877-348-3647	5 years	
X-Grass Pet	Synthetic Turf for Pet Areas	No	Omega-S: Polyethylene	Spring Green"	1.125	60	83	Tru-flow Backing: Stabilized dual layered woven polypropylene	Not known	Enviro-fill	Dalton, Georgia 1 877 881-8477	10 year UV Warranty	Seems to me that a product without infill would be less vulnerable to long term care issues such as drainage and replacement of the infill.
