A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SANTA CLARA, CALIFORNIA, APPROVING A USE PERMIT TO ALLOW ON-SITE SALE AND SERVICE OF BEER AND WINE (ABC LICENSE TYPE 23) AND TO AUTHORIZE OUTDOOR SEATING AT THE BAREBOTTLE MICROBREWERY LOCATED AT 2520 AUGUSTINE DRIVE, SANTA CLARA, CA

PLN2018-13702 (Use Permit)

BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, on January 16, 2019, Michael Saeitz for Barebottle microbrewery (“Applicant”) applied for a Use Permit to allow on-site sale and service of beer and wine (ABC License Type 23) and outdoor seating in a new 4,976 square foot restaurant, located at 2520 Augustine Drive, within the Santa Clara Square development (“Site Location”);

WHEREAS, the Site Location is currently zoned Planned Development (PD) and has the General Plan land use designation of Regional Mixed Use;

WHEREAS, in order to implement the proposed activity, the Site Location requires a Use Permit to allow beer and wine and consumption in conjunction with food service within the 4,976 square foot restaurant occupying a commercial tenant space in the existing Santa Clara Square development, as shown on the Development Plans;

WHEREAS, the California Environmental Quality Act (“CEQA”), Public Resources Code § 21000 *et seq.*, requires a public agency to evaluate the environmental impacts of a proposed project. The proposed project is categorically exempt from the California Environmental Quality Act (CEQA) per Section 15301, Class 1 existing facilities, in that the proposed use will occur at an existing location involving negligible or no expansion of an existing use;

WHEREAS, restaurants that serve alcoholic beverages and outdoor activities are conditionally permitted uses in the Planned Development (PD) zoning district, which includes Santa Clara Square, with the approval of a Use Permit by the Planning Commission;

WHEREAS, pursuant to SCCC Section 18.110.040, the Planning Commission cannot grant a Use Permit without first making specific findings related to the effect of the project on health, safety, peace, comfort, and general welfare, based upon substantial evidence in the record;

WHEREAS, on March 29, 2019, the notice of public hearing for the April 10, 2019 meeting date for this item was posted in three conspicuous locations within 300 feet of the Site Location and mailed to all property owners located within 300 feet of the Site Location; and,

WHEREAS, on April 10, 2019, the Planning Commission conducted a public hearing, at which all interested persons were given an opportunity to present evidence and give testimony, both in support of and in opposition to the proposed Use Permit.

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA CLARA AS FOLLOWS:

1. That the Planning Commission hereby finds that the above Recitals are true and correct and by this reference makes them a part hereof.
2. That the Planning Commission hereby finds that approving a Use Permit to allow sale and service of beer and wine at a bona fide eating place (ABC License Type 23) in the 4,976 square foot Barebottle microbrewery with 83 indoor seats and 24 outdoor seats is consistent with the commercial uses contemplated in the development of the existing Santa Clara Square development.
3. That the Planning Commission hereby finds as follows:
 - A. The establishment or operation of the use or building applied for, under the circumstances of the particular case, are essential or desirable to the public convenience or welfare in that the proposal would serve to expand the options available to local and regional

customers by providing a neighborhood restaurant use within an existing development to meet the interests of local customers and residents from the greater region;

B. Said use will not be detrimental to any of the following:

1) The health, safety, peace, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, in that the proposal provides a restaurant that serves beer and wine in conjunction with food in a new commercial tenant space within an existing development which meets all City of Santa Clara codes and regulations; the restaurant will be routinely manned and maintained; and the restaurant will comply with all City and state laws regarding the sale of alcoholic beverages;

2) The property or improvements in the neighborhood of such proposed use, in that the proposed use will occur in an existing retail tenant space, and on-site parking is sufficient and available to service the proposed use and the existing businesses;

3) The general welfare of the City, in that the proposed use expands the options available to the local and regional population by providing a restaurant use serving beer, and wine to support businesses and residents in the vicinity of the Site Location;

C. That said use will not impair the integrity and character of the zoning district, in that the proposal is designed and conditioned in a manner to be compatible with adjacent commercial and residential development, on a developed parcel, with adequate parking, and properly designed ingress and egress points; and,

D. That said use is in keeping with the purposes and intent of the Zoning Code, in that a restaurant that serves beer and wine in conjunction with food, may be conditionally permitted when the use would not be objectionable or detrimental to the adjacent properties in this Planned Development zoning district.

4. That the Planning Commission hereby approves Use Permit PLN2019-13702 to allow on-site sale and service of beer and wine at a bona fide eating place (ABC License Type 23) in

a restaurant with an outdoor seating area, located at 2520 Augustine Drive, subject to the Conditions of Approval, attached hereto and incorporated herein by this reference.

5. Effective date. This resolution shall become effective immediately.
