**A RESOLUTION OF THE CITY OF SANTA CLARA,
CALIFORNIA, FORMATION OF COMMUNITY FACILITIES
DISTRICT: CITY OF SANTA CLARA COMMUNITY FACILITIES
DISTRICT 2019-1 (LAWRENCE STATION)**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, on March 5, 2019, the City Council (the "Council") of the City of Santa Clara (the "City") adopted Resolution No. 19-8674, entitled "A Resolution of the City of Santa Clara, California, Intention to Establish Community Facilities District and Future Annexation Area: City of Santa Clara Community Facilities District 2019-1 {Lawrence Station}" (the "Resolution of Intention"), stating its intention to form (i) the City of Santa Clara Community Facilities District 2019-1 (Lawrence Station) (the "CFO") and (ii) the City of Santa Clara Community Facilities District 2019-1 (Lawrence Station) (Future Annexation Area) (the "Future Annexation Area") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act");

WHEREAS, on this date, April 9, 2019, this Council held a noticed public hearing as required by the Act and the Resolution of Intention relative to the proposed formation of the CFO and the Future Annexation Area;

WHEREAS, at the hearing, all interested persons desiring to be heard on all matters pertaining to the formation of the CFO and the Future Annexation Area, the services to be provided therein and the levy of such special tax were heard and a full and fair hearing was held;

NOW, THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

1. Recitals Correct. The foregoing recitals are true and correct.
2. No Majority Protest. The proposed CFO, the proposed Future Annexation Area and the proposed special tax to be levied within the CFO have not been precluded by majority protest pursuant to section 53324 of the Act.
3. Prior Proceedings Valid. All prior proceedings taken by this Council in connection with the establishment of the CFO and the Future Annexation Area and the levy of the special tax have been duly considered and are hereby found and determined to be valid and in conformity with the Act.

4. Formation of CFO and Future Annexation Area. The CFO, which is designated "City of Santa Clara Community Facilities District No. 2019-1 (Lawrence Station)," is hereby established pursuant to the Act. The Future Annexation Area, which is designated "City of Santa Clara Community Facilities District No. 2019-1 (Lawrence Station) (Future Annexation Area)," is hereby established pursuant to the Act.

5. Boundaries Described. The boundaries of the CFO and the Future Annexation Area, as set forth in the map of the CFO heretofore recorded in the Santa Clara County Recorder's Office on March 18, 2019, at 2:15 p.m., in Book 53 of Maps of Assessment and Community Facilities Districts at Pages 1 and 2, as Document No. 24136787, are hereby approved, are incorporated herein by reference and shall be the boundaries of the CFO and the Future Annexation Area. Parcels within the Future Annexation Area shall be annexed to the CFO only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without any requirement for further public hearings or additional proceedings.

6. Services. The type of services (the "Services") proposed to be financed by the CFO and the Future Annexation Area pursuant to the Act shall consist of those listed in Exhibit A hereto and hereby incorporated herein. The City intends to provide the Services on an equal basis in the original territory of the CFO and, when it has been annexed to the CFO, the Future Annexation Area.

7. No contract. This Council hereby finds and determines that the public interest will not be served by allowing the property owners in the CFO and the Future Annexation Area to enter into a contract in accordance with Section 53329.5(a) of the Act.

//

//

//

8. Special Tax. Except to the extent that funds are otherwise available to the CFO to pay for the Services, a special tax (the "Special Tax") sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the CFO, will be levied annually within the CFO, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this Council or its designee may determine, including direct billing of the affected property owners.

The proposed rate and method of apportionment of the Special Tax among the parcels of real property within the CFO, in sufficient detail to allow each landowner within the proposed CFO to estimate the maximum amount such owner will have to pay, are described in Exhibit B attached hereto and hereby incorporated herein (the "Rate and Method").

Territory in the Future Annexation Area will be annexed into the CFO and a special tax will be levied on such territory only with the Unanimous Approval of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed into the CFO. Except to the extent that funds are otherwise available to the CFO to pay for the Services, a special tax sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property in the Future Annexation Area, is intended to be levied annually within the Future Annexation Area, and collected in the same manner as ordinary ad valorem property taxes or in such other manner as may be prescribed by this City Council. As required by Section 53339.3(d) of the Act, the Council hereby determines that the special tax proposed to pay for Services to be supplied within the Future Annexation Area shall be equal to any special tax levied to pay for the same Services in the existing CFO, except that a higher or lower tax may be levied within the Future Annexation Area to the extent that the actual cost of providing the Services in the Future Annexation Area is higher or lower than the cost of providing those Services in the existing CFO. In so finding, the Council does not intend to limit its ability to levy a special tax within the Future Annexation Area to provide new or additional services beyond those supplied within the existing CFO.

9. Increased Demands. It is hereby found and determined that the Services are necessary to meet increased demands placed upon local agencies, including the City, as the result of development occurring in the CFO and the Future Annexation Area. The Services are in addition to those provided in the territory of the CFO and the Future Annexation Area as of the date hereof and will not supplant services already available within the territory of the CFO and the Future Annexation Area as of the date hereof.

10. Responsible Official. The Director of Finance (or his or her designee) of the City of Santa Clara, City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050, telephone number (408) 615-2200, is the officer of the City who will be responsible for preparing annually a current roll of the levy of the Special Tax obligations by assessor's parcel number and who will be responsible for estimating future levies of the Special Tax.

11. Tax Lien. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt real property in the CFO and this lien shall continue in force and effect until the Special Tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the Special Tax by the City ceases.

12. Appropriations Limit. In accordance with the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFO is hereby preliminarily established at \$400,000, and such appropriations limit shall be submitted to the voters of the CFO as hereafter provided. The proposition establishing such annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of the Act and the Constitution.

//

//

13. Election. Pursuant to the Act, the proposition of the levy of the Special Tax and the proposition of the establishment of the appropriations limit specified above shall be submitted to the qualified electors of the CFO at an election the time, place and conditions of which election shall be as specified by a separate resolution of this Council.

14. Effective date. This resolution shall become effective immediately.

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor's Parcel numbers for all Parcels of Taxable Property. The Administrator shall also determine: (i) within which Tax Zone each Parcel is located; (ii) whether each Parcel of Taxable Property is Developed Property, Taxable Owners Association Property, or Taxable Public Property; (iii) for Developed Property, the number of Residential Units and the amount of Ground Floor Retail Square Footage and Other Non-Residential Square Footage on each Parcel; (iv) for Ground Floor Retail Square Footage, the amount of Exempt Retail Square Footage and Taxable Retail Square Footage; and (v) the Special Tax Requirement for the Fiscal Year.

In any Fiscal Year, if it is determined that: (i) a Final Map or parcel map for a portion of property in the CFD was recorded after the last date upon which the Assessor will incorporate the newly-created Parcels into the then current tax roll, (ii) because of the date the Final Map or parcel map was recorded, the Assessor does not yet recognize the new Parcels created by the Final Map or parcel map, and (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the Final Map or parcel map by determining the Special Tax that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the Final Map or parcel map.

C. MAXIMUM SPECIAL TAX

1. Developed Property

When a Parcel becomes Developed Property, the Administrator shall use the Base Special Tax shown in Table 1 below to determine the Maximum Special Tax for a Parcel. For property that annexes into the CFD, different maximum rates may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Tax applicable to that Tax Zone.

Table 1
Base Special Tax

Land Use Category	Base Special Tax Tax Zone 1 (FY 2018-19) *	Base Special Tax Tax Zone 2 (FY 2018-19) *
Residential Units	\$302.80 per Residential Unit	\$132.29 per Residential Unit
Taxable Retail Square Footage	\$1.79 per Taxable Retail Square Foot	\$2.42 per Taxable Retail Square Foot
Other Non-Residential Square Footage	\$1.79 per Other Non- Residential Square Foot	\$2.42 per Other Non- Residential Square Foot

* On July 1, 2019 and on each July 1 thereafter, all figures shown in Table 1 above shall be increased by the Escalator.

Multiple Land Use Categories

If a Parcel is developed with multiple Land Use Categories, the Administrator shall apply the following steps to allocate the Maximum Special Tax to the Land Use Categories on the Parcel:

- Step 1:** Identify the number of Residential Units and amount of Taxable Retail Square Footage and Other Non-Residential Square Footage on the Parcel.
- Step 2:** Multiply the number of Residential Units, Taxable Retail Square Footage, and Other Non-Residential Square Footage on the Parcel by the applicable Base Special Tax for the Land Use Category.
- Step 3:** Sum the amounts determined for each Land Use Category in Step 2 to calculate the Maximum Special Tax for the Parcel.

Once a Special Tax has been levied on a Parcel of Developed Property, the Maximum Special Tax applicable to that Parcel shall not be reduced in future Fiscal Years regardless of changes in land use on the Parcel. Notwithstanding the foregoing, the actual Special Tax levied on the Parcel in any Fiscal Year may be less than the Maximum Special Tax if a lower Special Tax is calculated pursuant to Step 1 in Section F below.

2. *Taxable Owners Association Property and Taxable Public Property*

The Maximum Special Tax assigned to any Parcel of Taxable Owners Association Property or Taxable Public Property shall be the Expected Maximum Special Tax Revenues that were assigned to the Parcel (as determined by the Administrator) based on the Expected Land Uses prior to the Administrator determining that such Parcel had become Taxable Owners Association Property or Taxable Public Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAX

The Expected Maximum Special Tax Revenues shown in Attachment 2 were calculated based on the Expected Land Uses at CFD Formation. As set forth in Section E below, Attachment 2 shall be modified to reflect the Expected Land Uses and Expected Maximum Special Tax Revenues for the CFD if property is annexed to the CFD. Attachment 2 is also subject to modification upon the occurrence of Land Use Changes, as described below. The Administrator shall review all Land Use Changes and compare the revised land uses to the Expected Land Uses to evaluate the impact on the Expected Maximum Special Tax Revenues.

If a Land Use Change will result in a change to the Expected Maximum Special Tax Revenues for a particular Tax Zone, no action will be needed pursuant to this Section D if the change does not cause the Expected Maximum Special Tax Revenues to be less than the Required Revenues for such Tax Zone. Upon approval or identification of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Special Tax Revenues and Maximum CFD Revenues.

If a Land Use Change would reduce the Expected Maximum Special Tax Revenues in a Tax Zone below the Required Revenues, the Base Special Tax for Parcels that are subject to the Land Use Change (as determined by the Administrator) shall be increased proportionately until the amount that can be levied on Taxable Property subject to the Land Use Change, combined with the Expected Maximum Special Tax Revenues from other Taxable Property within the Tax Zone, is sufficient to maintain the Required Revenues. The Administrator shall use these adjusted rates to calculate the Maximum Special Tax for all Parcels within the area subject to the Land Use Change. The Administrator shall also revise Attachment 2 to reflect the new Expected Maximum Special Tax Revenues for such Tax Zone.

Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes in land use on the Parcel, including reductions that may occur due to demolition, fire, water damage, or acts of God.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into the CFD, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.** Working with City staff and the landowner, the Administrator shall determine the Maximum Special Tax that will apply to all Land Use Categories expected within the area to be annexed. Once determined, the Maximum Special Tax for the annexing area shall be identified in the Unanimous Approval Form which will be signed by the property owner as part of the annexation process. If the Maximum Special Tax that will apply to the annexed area is different than the Maximum Special Tax that is in effect for other Tax Zones that exist at the time of the annexation, the newly annexed area shall be designated as a separate Tax Zone for purposes of this RMA.
- Step 2.** The Administrator shall prepare and keep on file updated Attachments 1 and 2 that adds the annexed property and identifies the Expected Land Uses and Expected Maximum Special Tax Revenues for the Tax Zone. After the annexation is complete, the application of Sections C and F of this RMA shall be based on the adjusted Expected Land Uses and Expected Maximum Special Tax Revenues including the newly annexed property.
- Step 3.** If the property annexes into an existing Tax Zone, the Administrator shall update the Required Revenues to include the Expected Maximum Special Tax Revenues for the area being annexed. If a new Tax Zone is created for the annexing property, the Administrator shall identify the Required Revenues for the newly created Tax Zone.
- Step 4.** The Administrator shall update the square footage of Exempt Retail Square Footage to include such square footage as estimated in the area that was annexed.

Step 5. The Administrator shall update the acreage of exempt Public Property and exempt Owners Association Property to include such acreage as estimated in the area that has annexed.

Step 6. The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels annexed to the CFD.

F. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Special Tax shall be levied according to the steps outlined below:

Step 1. The Special Tax shall be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year until the amount levied is equal to the Special Tax Requirement.

Step 2. If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Taxable Owners Association Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Owners Association Property for such Fiscal Year.

Step 3. If additional revenue is needed after Step 2 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property, up to 100% of the Maximum Special Tax for each Parcel of Taxable Public Property for such Fiscal Year.

G. COLLECTION OF SPECIAL TAX

The Special Tax shall be collected at the same time and in the same manner as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner, and/or collect delinquent Special Taxes through foreclosure or other available methods. The Special Tax may be levied and collected in perpetuity as necessary to pay the Special Tax Requirement.

H. EXEMPTIONS

No Special Tax shall be levied on: (i) Parcels that are designated as permanent open space or common space on which no structure is permitted to be constructed, (ii) Parcels owned by a public utility for an unmanned facility, (iii) Affordable Units, or (iv) Parcels subject to an easement that precludes any use on the Parcel other than that permitted by the easement.

In addition, notwithstanding any other provisions of this RMA, no Special Tax may be levied on up to 8.76 acres of Owners Association Property and/or Public Property in Tax Zone 1, 2.06

acres of Owners Association Property and/or Public Property in Tax Zone 2, and 32,000 square feet of Ground Floor Retail Square Footage in Tax Zone 1, which amounts will be adjusted with each annexation of property into the Tax Zone as set forth in Section E above. Tax-exempt status will be assigned by the Administrator to Public Property and Owners Association Property in each Tax Zone in chronological order based on the date on which Parcels are transferred to a public agency or the Owners Association. As of CFD Formation, there was no Ground Floor Retail Square Footage expected within Tax Zone 2; therefore, all Ground Floor Retail Square Footage in Tax Zone 2 shall be Taxable Retail Square Footage for purposes of this RMA.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, that does not create a material adverse effect on the levy and collection of the Special Tax.
