<b>Department</b> Transfer from the Fire Operating Grant Fund / Budget Stabilization Reserve	Funds 62	Funds	<b>Explanation</b> Establishes a transfer from the Fire Operating Grant Fund to return funds from the closeout of the Assistance to Firefighters City Match FY 17/18 grant to the Budget Stabilization Reserve as the original funding source.
Other Agencies Revenue / Fire Department Overtime	900,000	900,000	Increases the Fire Department overtime allocation and corresponding Other Agencies Revenue estimate for mutual aid reimbursements received for City overtime incurred on behalf of other federal and state agencies.
Total General Fund	900,062	900,062	•
	Workers' Con		Fund (081)
<b>5</b>	Source of	Use of	<b>-</b> .1
<b>Department</b> Insurance Claims	Funds	<b>Funds</b> 1,375,000	Explanation Increases the Insurance Claims allocation to cover higher than budgeted Workers' Compensation Claim expenses. The City has experienced a greater volume of claim activities and those claims along with older maturing claims are being paid. Finance and Human Resources Department will continue to work with a third-party actuary to determine long-term projections for these payments.
Reserve for Claims		(1,375,000)	Decreases the Reserve for Claims from \$2.5 million to \$1.1 million to offset the action recommended above and cover higher than budgeted claims.
