Thank you,

Dear Mayor and Council,

I'm sorry that I'm not able to be in Council Chambers tonight as I'm in Canada to attend a wedding.

I have asked Kevin Park to read a short statement from me to state my case to be seated on the Charter Review Committee.

For the past 6 years I've been a very active participant in City politics and government. I have participated in the following activities

- • HEAT/CERT Training
- • Leadership Santa Clara
- • Citizens Police Academy
- • Planning Commission for the past 4 years
- • Citizens Advisory Committee (CAC)
- • BART/VTA Community Working Group
- • El Camino Real Community Advisory Committee
- • Old Quad Residents Association Board

As you know, I have previously run for a seat on the Santa Clara City Council and I have attended many, many Council meetings. I hope that you appreciate that I come well prepared to the meetings.

I have attended several talks by Steve Chessin and I believe I understand how Rank Choice Voting works as well as the demographics of the Santa Clara voting population. I am also well trained in the Brown Act from trainings at BPAC meetings and while serving on the Planning Commission.

I am retired so I have the time to prepare for and attend committee meetings. In fact, I have checked my schedule and will be available at all the currently proposed meeting times for the Charter Review Committee.

I ask for your vote tonight to be seated on the Committee.

Thank you,
