PLN2019-13905 (Use Permit)

**BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA CLARA AS  
FOLLOWS:**

**WHEREAS**, on May 24, 2019, Chelsea Chilman for Pruneridge Golf Course (“Applicant”) applied for a Use Permit to allow on-site sale and service of beer, wine and distilled spirits (ABC License Type 47) in an existing 1,351 square foot restaurant within an existing 4,046 square foot clubhouse and throughout the fenced premises of the golf course and outdoor patio area, located at 400 Saratoga Avenue, within the Pruneridge Golf Course (“Site Location”);

**WHEREAS**, the Site Location is currently zoned Planned Development (PD) and has the General Plan land use designation of Parks and Open Space;

**WHEREAS**, in order to implement the proposed activities, the Site Location requires a Use Permit to allow beer, wine and distilled spirits sales and consumption in conjunction with food service, at the restaurant in the existing Pruneridge Golf Course, as shown on the Development Plans;

**WHEREAS**, the California Environmental Quality Act (“CEQA”), Public Resources Code § 21000 *et seq.*, requires a public agency to evaluate the environmental impacts of a proposed project. The proposed project is categorically exempt from the California Environmental Quality Act (CEQA) per Section 15301, Class 1 existing facilities, in that the proposed use will occur at an existing location involving negligible or no expansion of an existing use;

**WHEREAS**, restaurants that serve alcoholic beverages and are conditionally permitted uses in the Planned Development (PD) zoning district, which includes the Pruneridge Golf Course, with the approval of a Use Permit by the Planning Commission;

**WHEREAS**, pursuant to SCCC Section 18.110.040, the Planning Commission cannot grant a Use Permit without first making specific findings related to the effect of the project on health, safety, peace, comfort, and general welfare, based upon substantial evidence in the record;

**WHEREAS**, on August 16, 2019, the notice of public hearing for the August 28, 2019 meeting date for this item was posted in three conspicuous locations within 300 feet of the Site Location and mailed to all property owners located within 300 feet of the Site Location; and,

**WHEREAS**, on August 28, 2019, the Planning Commission conducted a public hearing, at which all interested persons were given an opportunity to present evidence and give testimony, both in support of and in opposition to the proposed Use Permit.

**NOW THEREFORE, BE IT FURTHER RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA CLARA AS FOLLOWS:**

1. That the Planning Commission hereby finds that the above Recitals are true and correct and by this reference makes them a part hereof.
2. That the Planning Commission hereby finds that approving a Use Permit to allow sale and service of beer, wine and distilled spirits at a bona fide eating place (ABC License Type 47) with an outdoor patio, and within the fenced premises of the golf course, is consistent with the uses contemplated under the approved Planned Development Zoning District where the existing Pruneridge Golf Course is located.
3. That the Planning Commission hereby finds as follows:
  - A. The establishment or operation of the use or building applied for, under the circumstances of the particular case, are essential or desirable to the public convenience or welfare in that the proposal would serve to expand the options available to local and regional

customers by providing a neighborhood restaurant within an existing golf course to meet the interests of local customers and residents from the greater region;

B. Said use will not be detrimental to any of the following:

1) The health, safety, peace, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, in that the proposal provides a restaurant that serves beer, wine and distilled spirits with outdoor seating as part of the existing commercial restaurant within the Pruneridge Golf Course which meets all City of Santa Clara codes and regulations; the restaurant will be routinely manned and maintained; and the restaurant will comply with all City and state laws regarding the sale of alcoholic beverages;

2) The property or improvements in the neighborhood of such proposed use, in that the proposed use will occur in an existing retail space, and on-site parking is sufficient and available to service the proposed uses and the existing businesses;

3) The general welfare of the City, in that the proposed use expands the options available to the local and regional population by providing a restaurant use serving beer, wine and distilled spirits to support businesses and residents in the vicinity of the Site Location;

C. That said use will not impair the integrity and character of the zoning district, in that the proposal is designed and conditioned in a manner to be compatible with adjacent commercial and residential development, on a developed parcel, with adequate parking, and properly designed ingress and egress points; and,

D. That said use is in keeping with the purposes and intent of the Zoning Code, in that a restaurant that serves beer, wine and distilled spirits in conjunction with food with outdoor seating, may be conditionally permitted when the use would not be objectionable or detrimental to the adjacent properties in this Planned Development zoning district.

4. That the Planning Commission hereby approves Use Permit PLN2019-13905 to allow on-site sale and service of beer, wine and distilled spirits at a bona fide eating place with an outdoor patio (ABC License Type 47), and within the fenced premises of the golf course, located

at 400 Saratoga Avenue, subject to the Conditions of Approval and development plans, attached hereto and incorporated herein by this reference.

5. Effective date. This resolution shall become effective immediately.
