Report Date: 7.31.2019

Healthier Kids Foundation's three-year MOU with the City of Santa Clara came to a close on June 30, 2019. Over the three year partnership, Healthier Kids Foundation has exceeded the cumulative goal of services provided to City of Santa Clara residents.

Healthier Kids Foundation's mission is to remove health barriers impacting the learning and life success of Silicon Valley youth. We have been honored to work with the City of Santa Clara in an effort to improve health care access and utilization, change health behavior through education, and advocate for health policy and systems change.

Together, we can ensure all City of Santa Clara youth achieve good health, educational equity, and success in life as productive community members.

	VisionFirst	DentalFirst	HearingFirst	10 Steps	Total
3-Year Actual	3,045	1,409	1,221	458	6,133
3-Year Goal	2,500	1,250	1,000	500	5,250

Testimonial

"Thank you for vision screening my child. I didn't know he had a vision problem. My case manager helped me to apply for Medi-Cal and connected me to an eye doctor. My son now has glasses and it is easier for him to focus at school. Thank you so much for your help."

- Charanjit, mother of 5 year-old who was screened by the VisionFirst program

FY 2018-2019 Q4 Update
Reporting Period: 4.1.19 - 6.30.19

Activities and Progress

Program	FY 18-19 Goal	FY 18-19 Results	% of FY 18-19 Goal
10 Steps Parents and caregivers	200	172	86%
10 Steps Children Served (ages 0-18)		244	
DentalFirst Screened (ages 2-18)	500	811	162%
DentalFirst Referred and Followed-up on (ages 2-18)		195	
HearingFirst screened (ages 2-18)	500	618	124%

VisionFirst Referred and Followed-up on (ages 2-18)		136	
Average Challenge Team Meeting Attendees		23	

In the City of Santa Clara, Healthier Kids Foundation screens children for untreated vision, dental, and hearing issues; case managers follow-up with the parents of all children who receive a screening result that identifies an issue. This ensures that each child gets the care they need so that they are able to learn in the classroom. Healthier Kids Foundation also delivers 10 Steps to a Healthier You! workshops to parents and caregivers in the City of Santa Clara, providing strategies to implement healthy habits in the home.

Of those who attended a 10 Steps workshop:

- 97% felt that they had learned new things that they would go home and try
- 90% felt that the class was very or extremely valuable

At the end of quarter four, Healthier Kids Foundation has identified the following in the City of Santa Clara:

- 136 children with untreated vision problems (11% referral rate)
- 195 children with urgent or emergency dental needs (24% referral rate)
- 83 children with untreated hearing problems (13% referral rate)

Healthier Kids Foundation case managers are currently working with these families to ensure that the children receive appropriate treatment through their insurance. If uninsured, the case manager assists the family in enrolling into subsidized health insurance. At the close of year:

- 38 children have received glasses, 77 went to an optometrist for follow up
- 85 children received dental services
- 53 children obtained appreciate hearing services

Without our partnership with the city, these kids' needs could have remained unidentified, unaddressed and might have been barriers to learning. Healthier Kids Foundation is still working with families on 100 cases that are still open to ensure their children get the care they need to be healthy and successful (73% dental, 27% vision).

In addition to providing direct services to Santa Clara residents, Healthier Kids Foundation provided the following during quarter four:

1. hosted monthly Santa Clara Challenge Team meetings to bring together community partners and discuss the well-being of families in the city and resources that are available
2. provided resources and screenings at the Egg-Stravaganza
3. partnered with the Central Library and Mayor Gillmor for Storytime
4. hosted the 3rd Annual City of Santa Clara Essay Contest and Awards Banquet

Next Steps

Healthier Kids Foundation looks forward to continuing services during the first six months of fiscal year 2019-2020. With a six-month extension of the MOU, Healthier Kids Foundation will provide:

- A minimum of 75 parents attending at least one 10 Steps to a Healthier You! class
- 550 children vision screened through VisionFirst program
- 250 children dental screened through DentalFirst program
- 250 children hearing screened through HearingFirst program

All children should have access to the quality healthcare that they need to thrive in the classroom and in life. Healthier Kids Foundation is grateful to the City of Santa Clara for their support of our mission to remove health barriers impacting the learning and life success of Silicon Valley youth.
