Cheri Fulk,

I wanted to personally congratulate you and your community on receiving a matching funds award from GameTime as part of the 2019 CPRS Statewide Training and Funding Initiative. Your specific funding award will be determined once your playground design is completed. I've included a copy of a funding award certificate, and some background information on the various National Demonstration Sites for which you may qualify once your project is complete. I thought you might find this information helpful in promoting through your local media. We will also be issuing a press release next week for you to share as well. Again, congratulations on your upcoming project and thank you for all you do to enrich childhood and build communities through play.

Sincerely,

A handwritten signature in black ink that reads "Robert V. Barron".
