

Charter Review Committee Recommendations

Recommendation 1

The Committee recommends the Santa Clara City Charter, Section 600, be amended to include the following requirements to run for and hold elected office as follows:

1. A candidate must be a qualified and registered elector of the City.
2. A candidate must have been a resident of the City of Santa Clara and, excepting the Mayor, Chief and Police and City Clerk, of the District represented by the person as member, for at least thirty (30) days prior to close of the nomination period.
3. To hold office, Councilmembers must be a resident in the district represented by the Councilmember office.

The Committee further recommends the Santa Clara City Charter be amended to include the following language:

Upon any redistricting pursuant to the provisions of this section of the Charter or the ordinances enacted hereunder, each incumbent member of the Council will continue, during the remainder of the member's term, to hold office and represent the district by which the member was elected prior to such redistricting, notwithstanding any provision of Section 600 requiring a member to be a resident of the district represented by such member.

Finally, the Committee also recommends staff adjust language in Section 600 to draw a clear distinction between city officials elected by-district versus at-large.

Recommendation 2

The Committee recommends the Santa Clara City Charter be amended to implement six council districts for the November 2020 election followed by a transition plan to three council districts with two representatives per district to be elected in alternate election years beginning in 2022, with one representative serving a two-year term to realign.

The transition plan would be as follows:

- November 2020 - One councilmember will be elected to represent each of districts 1, 4, 5, and 6 for a four-year term based on the court ordered districts.
- 2021/2022 - As a result of the new 2020 Census, 3 new districts (named District 1, District 2 and District 3) will be drawn, conforming to requirements under state and federal law.
- November 2022 - One councilmember will be elected to represent each of the newly formed District 1 and District 2 for a four-year term.

- November 2024 - Districts 1 and 2 will each elect one person for a four-year term. The newly formed District 3 will elect two councilmembers. The candidate with the highest number of votes for District 3 will serve a four-year term and the candidate with next highest number of votes will serve a two-year term.
- November 2026 and every election thereafter- Districts 1, 2 and 3 will each elect one councilmember for a four-year term.
