

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY OF SANTA CLARA, CALIFORNIA
AMENDING THE “CITY OF SANTA CLARA 2019-20 MUNICIPAL
FEE SCHEDULE” TO ADD NEW FEES AND AMEND EXISTING
FEES FOR ALARMS AND ALARM SYSTEMS**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, under the provisions of the City of Santa Clara Charter, Municipal Code, Constitution of the State of California, and California Government Code, fees and charges assessed by the City of Santa Clara may be amended or modified upon the adoption of a Resolution by the City Council; and

WHEREAS, the City Council of the City of Santa Clara considered the addition of new regulatory fees relating to alarms and alarm systems and amending existing fees in conjunction with agenda item numbered 19-809 dated December 10, 2019; and

WHEREAS, the City Council finds that the new and amended fees are reasonable in that they reflect the reasonable regulatory costs incurred by the City and the City’s contractor in performing the permitting, oversight, and enforcement functions, and that adoption of such fees is a valid exercise of powers under applicable law, and that it is in the best interest of the City to adopt same; and

WHEREAS, the City Council of the City of Santa Clara makes the following findings:

1. Municipal Code Chapter 8.40, False Alarm regulation, exists to ensure accurate, up-to-date information for Fire or Police personnel responding to the alarmed location. It also enables emergency personnel responding to contact responsible parties and/or alarm repair company representatives should the alarm need to be reset, has a recurring problem, or the site needs to be secured. Having this information readily available allows city personnel to return to providing services to the community in a timely manner.
2. The Police Department has been seeking a resource to streamline the administrative tasks associated with the permitting process and introduce procedures that are more

customer service friendly. Superior, LLC has developed a commercial, off-the-shelf, Cloud-based software, called CryWolf, as a solution to alarm system and collection management.

3. To achieve cost recover revenue targets and operational goals, the Municipal Fee Schedule will need to be amended to list these fees as regulatory fees under exception 3 to Proposition 26, and as follows:

NAME OF FEE	CURRENT	RECOMMENDED
Alarm Permit	\$37	\$37
Non-registration Fee	\$0	\$50
Annual Renewal Fee	\$0	\$15

WHEREAS, the impact to the General Fund for these legislative changes is anticipated to be as set forth in agenda item 19-809.

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:
