**Subject:** Subject: Please allow the variance at 2133 Santa Cruz Avenue

I ask the Planning Commission to please allow the Bissmans their variance so they can upgrade their house.

I live in the neighborhood and was out walking with my son yesterday when I noticed a flyer on this issue.

In reading the Bissman's petition I find it to be very reasonable. They are only asking for a small amount of leeway.

Please allow the Bissmans to proceed with improving their house.

Thank you.
