City and Developer may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement". The City and the Developer agree as follows with reference to the following facts:

RECITALS

- A. Developer is the legal owner of the real property legally described on Exhibit A attached hereto ("Property"), upon which Developer will construct a 318-unit apartment project ("Project").
- B. Developer accepts responsibility for meeting the provision of 32 affordable rental housing units within the Project. The 32 affordable rental housing units shall be provided in the Project according to the terms herein stated. The proportion of units shall be 50% median income and 50% low income. Median income shall be defined as 100% of the Area Median Income (AMI) and low income shall be defined as 80% of the AMI. The distribution of these units shall be 16 median income and 16 low income units.
- C. All 32 proposed affordable rental housing units shall be made available at Below Market Rate (BMR) rents that do not exceed an Affordable Housing Cost. Each of the BMR units are designated and identified in the attached Exhibit B.
- D. It is the intention of the City and Developer to set forth and apply these covenants, conditions and restrictions to satisfy the condition of approval of the Project.

NOW, THEREFORE, in consideration of valuable land use and economic benefits and approvals by City allowing development of the Project and to satisfy its obligations to provide affordable housing for low-income (as defined in Section 1(a) below) and median-income households (as defined in Section 1(b) below) at rent below market rate, the Developer and City hereby agree that the Project shall be subject to the following covenants and conditions which shall run with the land, and be binding on all parties having any right, title or interest in Project, their respective heirs, legatees, devisees, administrators, executors, successors and assigns, and shall inure to the benefit of the City and their respective successors and assigns.

1. Definitions

In addition to terms that are otherwise defined herein, the following terms shall have the following respective meanings:

"Below Market Rate" shall mean the provision of a dwelling unit at rent levels less than market rates.

"City" shall mean the City of Santa Clara, California.

"Developer" shall mean TOD BROKAW, LLC, a California limited liability company and its permitted transfers and assigns.

"Permitted Transfer" means a sale, ground lease, or transfer of any parcels within the Property, whereupon the Developer's rights and obligations under this Agreement are deemed assigned to such successors or assigns in and to those parcels within the Property. The terms, covenants, and conditions of this Agreement shall run with the land to the Property, and shall inure to the benefit of, apply to, and shall bind the successors and assigns of Developer. Upon an assignment, the assigning Developer will be released from the obligations of Developer under this Agreement which relate to the period from and after the date of the assignment, including, without limitation, the obligations in Section 4, 5, and 6 hereof. - (b) For a Median-Income Household, thirty percent (30%) of one hundred percent (100%) of the Area Median Income divided by twelve (12), and adjusted for household size appropriate for the Unit, less the Utility Allowance.

“Utility Allowance” shall be based upon schedules issued from time to time by the Santa Clara County Housing Authority. The Utility Allowance applies to all tenant-paid costs that are listed on that schedule.

2. Uses

(a) General. The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Project or any part thereof, that the Developer shall use the Project only for residential operation pursuant to all of the terms and conditions of this Agreement. The Project shall consist of 318 residential dwelling units and shall include 32 Affordable Housing Units for Income-Qualified Households.

(b) Affordability Covenants. The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Project or any part thereof, during the Affordability Period, that 32 Affordable Housing Units shall be rented or leased to or held available for rental or occupancy by Low Income and Median Income-Qualified Households.

(1) Units Generally.

(a) The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Project or any part thereof, that the Developer shall use the Project only for residential operation pursuant to all of the terms and conditions of this Agreement. The Project shall consist of 318 residential dwelling units, 32 of which shall be Affordable Housing Units for Income-Qualified Households.

(b) Prior to the initial lease-up, Developer shall have designated specific Units in the Project to be the Affordable Housing Units and given notice to the City of such designation (“Unit Allocation”). Subject to the terms of this Agreement, the Developer shall have the right, from time to time, to re-designate the Affordable Housing Units so long as: (i) the unit designation (including, but not limited to: the number of bedrooms, units with accessibility modifications) remains substantially the same throughout the Affordability Period; (ii) the Affordable Housing Units are distributed throughout the Project; and (iii) the Developer shall obtain the City Staff’s prior written approval before re-designating the Affordable Housing Units, the approval of which shall not be unreasonably withheld or delayed.

(c) If Developer implements periodic programs of replacement and upgrade which apply to all Units, all Affordable Housing Units in Project shall be included within such programs and shall be treated under such programs in a manner substantially similar to all other units.

(2) Affordable Housing Unit Rents

- (a) Developer agrees it shall not charge or collect from any tenant of an Affordable Housing Unit a monthly amount in exchange for occupancy of the Affordable Housing Unit that exceeds the Affordable Housing Cost applicable to the Affordable Housing Unit. Notwithstanding the foregoing, nothing in this Agreement prohibits Developer from charging tenants of any Affordable Housing Unit any fees or charges which are for services or items that the tenant of the Unit voluntarily signs up for and which are available to all tenants at the Project, and the amount of such fees will be in addition to the applicable Affordable Housing Cost.
- (b) Affordable Housing Cost for the Affordable Housing Units shall be based upon schedules issued from time to time by HUD and modified and published by HCD. Upon request, City shall notify the Developer of the applicable area rents based on number of bedrooms.
- (c) Rent increases, which may occur not more frequently than annually, shall not exceed the annual increase, if any, in Area Median Income. In no case may the Affordable Housing Cost for the Affordable Housing Units exceed the amount derived by the Affordable Housing formula set forth in this Agreement. The City shall receive a copy of all rent increase notices for the designated Affordable Housing Units at least 30 days prior to the new rents taking effect. Rent increases may only be implemented in compliance with applicable law.

(3) Income Qualification of Affordable Housing Unit Tenants

- (a) Developer shall establish and maintain a file for each tenant residing in an Affordable Housing Unit including, at minimum, documents identified below. Developer shall make a good faith effort to verify that the income provided by an applicant in an income certification is accurate.
- (b) The income of each Affordable Housing Unit tenant must be determined and certified prior to occupancy of that unit, using the definition of Annual Income established by the California Department of Housing and Community Development. The Developer may certify initial income qualification using one of the following two source documentation methods:
 - (i) Obtain a written statement from the administrator of a government program under which the household receives benefits and which examines each year the annual income of the household; or
 - (ii) Examine the source documents evidencing annual income for the household. Developer shall use good faith efforts to obtain all applicable source documents to include in the tenant's file: Pay stub for the most recent pay period; Income tax return for the most recent tax year; Income verification form from the applicant's current employer; Income

verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of those agencies; and, any statement documenting unearned income received by the household.

- (c) Annually, Developer shall determine the income of all tenants residing in an Affordable Housing Unit. Developer may choose to use either of the two methods described above or may obtain from the household a written statement of the amount of the households income and family size along with a signed certification by the tenant that the information is complete and accurate. The certification must state that the household will provide source documentation upon request.
- (d) Income limits, adjusted for household size, will be based off of the Area Median Income for Santa Clara County, which is published periodically by HCD. Upon request, City shall notify the Developer of the applicable area median income limits.

(4) Over-Income Tenants in Affordable Housing Units

- (a) Subject to Section 4(b), any Affordable Housing Unit tenant whose income no longer qualifies for the Affordable Housing Unit at their current Monthly Rent may continue to reside in the Unit. However, subject to Section 4(b), they must pay rent at the lesser of:
 - i. Thirty percent (30%) of the household annual income, divided by twelve (12), less the Utility Allowance; or,
 - ii. The current market rent being charged in a comparable unit not subject to this Agreement.
- (b) Affordable Housing Units occupied by tenants whose income no longer qualifies as an Income-Qualified Household are considered in temporary “non-compliance” with this Agreement. Except as otherwise allowed pursuant to Section 4(a) above, to bring the Affordable Housing Unit back into compliance, the Developer must:
 - (i) Rent the next vacant unit of the same size (i.e.: 2-bedroom) to an Income Qualified Household for a BMR Unit whose Annual Income would qualify them for the “non-compliant” Affordable Housing Unit at the original level of affordability (i.e., Low-Income or Median-Income) as the “non-compliant” Affordable Housing Unit (however, using the then current Area Median Income as adjusted for family size). Such unit replaces the “non-compliant” Affordable Housing Unit; and
 - (ii) Re-designate the original Affordable Housing Unit that was in non-compliance as a market rate unit in Project. The tenants may be charged rents comparable to existing market rate units in the Project.

(c) Subject to the provisions of Section 1(b) above, Developer shall maintain a distribution of the affordable housing units in Exhibit B.

(5) Waiting List for Affordable Housing Units

- (a) Developer shall maintain a written Waiting List of households that have contacted Developer and expressed an interest in an Affordable Housing Unit. That list shall include appropriate contact information for notifying the interested households when a vacancy in an Affordable Housing Unit occurs. Names on the Waiting List will be listed in order of the date of receipt of notice of interest and contact information from the prospective applicant. This Waiting List will be kept in Developer's offices and shall be available for City review with reasonable notice.
- (b) Subject to Developer's use and application of its customary leasing criteria that is applied to all tenants at the Project (including, without limitation, credit checks, references, etc.), Developer shall select new tenants for the Affordable Housing Units in chronological order (oldest listing first). Developer shall provide evidence of attempts to contact households on the Waiting List.

(6) Lease Provisions

- (a) Tenants in the Affordable Housing Units shall be subject to the same lease document and requirements of tenants in the market rate units, with the exception of those additional stipulations described below. A copy of the Project's standard lease form(s) shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes.
- (b) The lease may not contain any terms prohibited by applicable law.
- (c) Each lease or rental agreement shall provide that the Developer will not discriminate on the basis of race, creed, color, sex, national origin, ancestry, religion, marital status, disability or receipt of public assistance or housing assistance in connection with the rental of a Unit in Project, or in connection with the employment or application for employment of persons for operation and management of Project, and all contracts, applications and leases entered into for such purposes shall contain similar non-discrimination clauses to such effect.
- (d) The Developer shall not require rental deposits in excess of one-month's rent for any Affordable Housing Unit, but may require refundable deposits for pet damages, and keys, and similar items, consistent with applicable laws.
- (e) The Developer shall include provisions in leases or rental agreements for all Affordable Housing Units which authorize the Developer to immediately terminate the tenancy of any tenant occupying an Affordable Housing Unit where one or more of such tenants have misrepresented any fact material

to the qualification of such an individual or household as an Income-Qualified Household, including, but not limited to, persons 18 years of age and older that reside in the household that are not listed on the lease. Each lease or rental agreement for an Affordable Housing Unit shall also provide that the tenants of such Affordable Housing Unit shall be subject to annual certification or re-certification of income, as required by the City, and shall be subject to rental increases in accordance with this Agreement.

- (f) The provisions relating to certification and re-certification of income in the form of lease or rental agreement used by the Developer for the lease or rental of the Affordable Housing Units shall be subject to prior review and approval by the City, the approval of which shall not be unreasonably withheld or delayed.

(7) Management Plan

The Developer for itself, its successors, its assigns and every successor in interest to the Property or any part thereof, covenants and agrees to submit to the Agency Executive Director or his designee for review and approval a maintenance and management plan, including a facilities management component (the "Maintenance and Management Plan"). The Management Plan shall include (i) a written maintenance plan that will yield safe, sanitary and attractive living units and common areas; (ii) a reserve analysis identifying items that will eventually need replacement and their life expectancy, which Developer for itself, its successors, its assigns and every successor in interest to the Property or any part thereof, covenants and agrees to update at least every three years; (iii) a five year plan for the planned use of the replacement reserve, which Developer agrees to update annually at the time of budget preparation; and (iv) an inventory list of common area property, tools and equipment, unit appliances, carpeting and drapes, information regarding when a unit was last redecorated or updated, which Developer shall update annually at time of budget operation.

(8) Initial Leasing, Marketing and Tenant Selection Procedures.

- (a) Not later than ten (10) days prior to the commencement of marketing, Developer or an Affiliate approved by City of Santa Clara shall prepare and submit to the City for reasonable approval a marketing and outreach program for the Affordable Housing Units which shall contain, among other things: (i) how a potential Income-Qualified Household would apply to rent an Affordable Housing Unit in the Project, including where to apply, applicable income limits and rent levels; (ii) a description of procedures and media Developer will use to publicize vacancies in Project, including notice in newspapers of general circulation, at least one of which shall be a foreign language newspaper; (iii) provide monthly leasing reports until all 32 Affordable Housing Units have been leased up and occupied, and (iv) mailing notices of vacancies to or contacting by telephone potential tenants on the Waiting List maintained by Developer.

- (b) A copy of Developer's standard tenant selection procedure, applicable to all Units in Project, shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes. Any special procedures related to tenant selection for an Affordable Housing Unit shall be specified and are limited to procedures reasonably related to implementation of the requirements of this Agreement and in compliant with State Fair Housing regulations

The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to Project or any part thereof that Developer, shall operate Project in conformity with all applicable laws, rules, regulations and ordinances, including without limitation, all applicable federal and state labor standards.
- (e) Obligation to Refrain from Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, national origin, ancestry, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of Project , or any part thereof, nor shall the Developer itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees, or vendees of Project.
- (f) Form of Non-discrimination and Non-segregation Clauses. The Developer shall refrain from restricting the rental, sale or lease of Project on the basis of race, color, religion, ancestry, national origin, sex, or marital status of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:
 - (1) In deeds: "The grantee herein covenants by and for himself, his heirs, executors, administrators and assigns, and all persons claiming under or through him, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religion, ancestry, national origin, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself or any person claiming under or through him, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees or vendees in the land herein conveyed. 3. Monitoring/Annual Report

- (c) Not later than ten (10) days prior to the commencement of marketing, Developer shall assign a single person as Project Manager, who shall have overall responsibility for the progress and execution of this Agreement. Subsequent to that assignment, Developer shall notify City of any change in the name and/or contact information of the Project Manager.
- (d) Once leasing at the Project has commenced, the Developer for itself, its successors, its assigns and every successor in interest to Project or any part thereof, covenants and agrees to submit to the City an annual report ("Annual Report"). The Monitoring Fee as of the date of this agreement is \$117.00 per unit. The Monitoring Fee is published in the City's Municipal Fee Schedule and updated from time to time.

4. Enforcement

The City of Santa Clara is deemed to be the sole beneficiary of the terms and provisions of this Agreement and the covenants herein, both for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, for whose benefit this Agreement and the covenants running with the land have been provided. The City shall have the right if any covenants set forth in this Agreement are breached, to exercise all available rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it is entitled. No remedy herein conferred upon or reserved by the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as City may deem expedient. In order to entitle the City to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be herein expressly required or required by law to be given.

If Developer has not commenced curing of the default within thirty (30) days after written notice by City is provided to Developer, then City shall have all rights and remedies at law or in equity to enforce the curing of such Default.

Additionally, if Developer collects rents from Income-Qualified Households occupying the Affordable Housing Units that require such Income-Qualified Household tenants to pay rent in excess of what is permitted pursuant to this Agreement, and to the extent such excess rents are not required to be reimbursed to the tenants of such Affordable Housing Units, Developer agrees and covenants to reimburse such tenants within ten (10) business days of City's written demand, provided if such tenants cannot be located then the Developer shall pay to the City the full amount of such excess to the City. Developer and City agree that the payment of such excess rent shall be in addition to City's rights and remedies at law or equity.

If the City provides Developer with a written notice of violation of this Agreement and Developer has not cured or responded to such notice of violation within ninety (90) days, then in addition to City's rights and remedies set forth herein, City shall thereafter have the right to impose a fine of \$150 per month per non-compliant unit until Developer has cured or responded to the notice of violation. Developer shall pay such fine within thirty (30) days of City's written demand.

5. Defaults

Failure or delay by Developer to perform any material obligation set forth in any term or provision of this Agreement, if Developer has not commenced curing the default within thirty (30) days after written notice by City to Developer, then such failure or delay constitutes a default.

- (a) The City shall give written notice of default to the Developer, specifying the default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.
- (b) Any failures or delays by the City in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by the City in asserting any of its rights and remedies shall not deprive the City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.
- (c) If a non-monetary event of default occurs, prior to exercising any remedies hereunder, City shall give Developer notice of such default. . If Developer (1) initiates corrective action within thirty (30) days after written notice by City to Developer, and (2) diligently and in good faith works to effect a cure as soon as possible, then Developer shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by City. In no event shall City be precluded from exercising remedies if its remedies become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the notice of default is first given.
- (d) Developer shall not be in Default where Developer's performance under this Agreement is affected by force majeure. In the context of these terms and conditions, "force majeure" is any event that the Developer could not, even with due care, reasonably foresee or avoid. These events include but are not limited to

war, threat of war, riot, civil commotion or strife, hostilities, industrial dispute, natural disaster, epidemic, fire, acts of god, terrorist activity, nuclear disaster, adverse weather, government action, City caused delays, delays caused by third parties, technical problems with transportation or other events outside the Developer's control.

6. Indemnification

The Developer, its successors, its assigns and every successor in interest to the Project or any part thereof, shall indemnify, hold harmless and defend the City, and its officers, officials, appointees, employees and agents from and against (a) any Default by Developer under this Agreement; (b) any and all loss, costs, damages, actions and liabilities of whatever nature directly or indirectly resulting from or arising out of the design, construction, occupancy or ownership of the Project or any written statement or representation provided to the City, or to prospective or actual tenants or purchasers of Project with respect to the Developer's performance hereunder. The foregoing obligations of Developer shall exclude claims, loss, costs, damages, actions and liabilities to the extent arising from City's gross negligence, willful misconduct, or breach of this Agreement by the City. If any such claim is asserted, or any such impositions or charges are sought to be imposed, the City shall give prompt notice to Developer and Developer shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise and settle the same in its sole discretion, provided that the City shall have the right to review and reasonably approve or disapprove any such settlement or compromise if (1) such settlement or compromise would require the City to pay any money in connection with such settlement; or (2) the City would remain a litigant after such settlement or compromise is entered into. In addition, Developer shall pay upon demand all of the reasonable expenses paid or incurred by City in enforcing the provisions hereof.

7. General Provisions

(a) City as Beneficiaries

- (1) All covenants and conditions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by the City against the Developer and its heirs, legatees, devisees, administrators, executors, successors and assigns.
- (2) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that the City shall be deemed beneficiary of the covenants provided for in this Agreement, both for and in its own right and also for the purposes of protecting the interests of the community. All covenants set forth herein without regard to technical classification or designation, shall be binding for the benefit of the City, and such covenants shall run in favor of the City for the entire period during which such covenants shall be in force and effect, without regard to whether the City is or remains an owner of any land or interest therein to which such covenants relate. City shall have the right, in the

event of any material breach of any such covenant or condition, to exercise all the rights and remedies, and to maintain any actions at law or suit in equity or other proper proceedings to enforce the curing of such breach of covenant or condition. There are no intended third party beneficiaries of this Agreement.

(b) Irrevocability; Term of Agreement

This Agreement shall be irrevocable by the Developer, its successors and assigns to the Property or any portion thereof. The covenants against discrimination set forth above shall remain in effect in perpetuity. All other covenants contained in this Agreement shall remain in effect for the Affordability Period.

(c) Amendment of Agreement

Only the City, its successors and assigns, and the Developer, and the heirs, legatees, devisees, administrators, executors, successors and assigns of the Developer in and to the fee title to Project (or portion thereof) shall have the right to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants or conditions contained in this Agreement, or to subject the Property or any Affordable Housing Unit to additional covenants or conditions, without the consent of any renter, lessee, easement holder, licensee, or any other person or entity having an interest less than a fee in Project (or portion thereof) or any Affordable Housing Unit.

(d) Severability

The provisions of this Agreement shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision shall not affect the validity or enforceability of any other provision.

(e) Interpretation

The provisions of this Agreement shall be liberally construed and interpreted to effectuate its purposes. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof.

(f) Applicable Law

This Agreement and the lien created hereby shall be governed by and construed according to the laws of the State of California.

(g) Number, Gender and Headings

As used in this Agreement, the singular shall include the plural and the masculine shall include the feminine and the neuter, unless the context requires the contrary. All headings are not a part hereof, and shall not affect the interpretation of any provision.
