Path Diagram Design Constraints and Fixed Features

Landscape Plan Overall Plan and Enlargement

Landscape Plan Images

View from Trellis Structure toward Tasman Hill Site

Great Lawn Flexible, Active Area with String Lighting Above, seating area and partially removable planter at Lift Station. Paseo lighting from light mounted within poles.

Outdoor Dining along Promenade

Great Lawn, a Flexible, Active Area with String Lighting Above. Bike Lane markings also shown on right side of Paseo.

Tree Planting Plan Overall Plan and Images

Tree Layout

Mix of large informally planted canopy trees and narrow, upright trees, reinforcing use areas and processional nature of Walk Street.

Canopy Trees:

- Quercus virginiana
- Ulmus parvifolia 'Drake'
- Hymenosporum flavum
- Platanus acerifolia 'Columbia'

Columnar Trees:

- Acer rubrum 'Armstrong'
- Liriodendron tulipifera 'Arnold'
- Ginkgo biloba 'Princeton Sentry'
