**Proposed Work Plan Topic:** Striping Unmarked Crosswalks

**Background and Discussion:** Please provide background information and a description of the proposed work plan topic. Please also include information as to how this topic pertains to the BPAC's roles and responsibilities. *(150 words maximum)*

Although every intersection of two streets is legally an intersection where one is required to yield to pedestrians, the reality is more dangerous as pedestrian collision data shows. So, I'd like to have an on-going policy to stripe crosswalks every time a section of roadway is re-paved.
