Bicycle and Pedestrian Advisory Committee (BPAC)
Annual Work Plan Topic Request Form

Requester Name: **Date:**

Proposed Work Plan Topic:

Background and Discussion: Please provide background information and a description of the proposed work plan topic. Please also include information as to how this topic pertains to the BPAC's roles and responsibilities. *(150 words maximum)*

Recommend loading our bicycle facilities onto a story map and add to Santa Clara's collection of story maps: <http://santaclaraca.gov/residents/maps>

Outcomes:

- Show number of miles of existing bicycle lanes.
- shows the community what bicycle facilities are available.
- Do another story on suggested safe routes to schools
- Do another story on the future of bicycle lanes
- Do another story on bicycle and pedestrian wayfinding
- Do another story on the future of bicycle parking for shared bicycles and scooters

Roles and responsibilities of BPAC: we can communicate and highlight routes that should be in these stories.

If we could improve or develop an engagement strategy, to build the culture for bicycling and walking in Santa Clara, sustain our Safe Routes to School efforts, highlight the bicycle and pedestrian planning and policy decisions that have taken place over the years, we could activate the 5Es of SRTS beyond the school boundaries.
