Dear Nimisha,

We would like to express our concern relating to the expansion building on 3766 Eastwood Circle, Santa Clara.

We live on 440 Collinwood Ct. a few feet away from 3766 Eastwood Circle. From the backyard of our property is directly facing the backyard of the said property.

The balcony that will be constructed from the second floor of this property will compromise our privacy looking down directly into our backyard.

THE VIEW LOOKING OUT FROM THE BALCONY will be very visible and will cover a large area of sight looking down into our backyard.

WE OPPOSE THE CONSTRUCTION OF THE SECOND FLOOR BALCONY ON 3766 Eastwood Circle.

We request for your kind consideration to stop adding a balcony for this project.

Thank you.

Milo and Daisy Florendo

Subject: 3766 Eastwood Circle

Dear Nimisha Agrawal:

I have a concern about the proposed rear deck being constructed on 3766 Eastwood Circle.

We live on Collinwood Ct, and the view from our backyard will be compromised that will affect our privacy looking out from the balcony on the second floor of said property,

We oppose this project to go forward.

Please inform us how to join the virtual meeting online, what is the website and/or zoom passcode.

Thank you
