CITY COUNCIL WRITTEN PETITION

Date: July 12, 2021

I, Leonne (Lee) Broughman hereby request that the following subject be placed on the City of Santa Clara Council and Authorities Concurrent Meeting Agenda in August, 2021:

I hope that The City Council is going to censure or at least admonish Councilman Park for his offensive comment about myself and the rest of the single family residents of Santa Clara. For more information about this subject, please see below:

Tuesday, July 6, 2021 Kevin Park said "Just like you can't ask toddlers to specify their own lunch, you can't really have single family homeowners design a city," and this wasn't the first time he has said offensive things about staff and others.

By submitting this form, I am confirming that I am the requestor herein listed and that the information provided is truthful and correct to the best of my knowledge. I understand that it is important that I attend the meeting in the event there are any questions the Mayor and/or Council wishes to ask me. I also understand that the City may not place my item on the Agenda if it is not verifiable and within the subject matter jurisdiction of the City.
