

COMMENTS ON COLLISIONS CLUSTER #1

#096,204

County has stripped a short bike lane at approaches to intersection on El Camino Real. No Marking or green stripe exists. Recommend addition of new short bicycle stripe on far side on intersection with a green stripe.

CLUSTER #2

#223

Confirm shrubs do not exceed the City's sight triangle requirements.

Review installing a red curb at the first parking space. Review installing green marking at intersections to alert bicyclike lanes.

#120

Monroe Avenue bicycle land needs restroation of the Lane stribing and legends.

Consider providing a green stripe with markings at the start of Lane.

#722

Consider the installation of green stripe and markings at start of Lane.

Review possible green stripe and warning for vehicles turning into Lanes.
