

Finn Chiller Update

1. August '20 a faulty circuit board on the Chiller's Compressor #1 was repaired & the sound was mitigated.
2. Sept '20 **Colin Gordon Sound Engineers** completes a sound study which concluded the sound *DOES NOT* exceed City Sound Ordinances.
3. Oct '20 Sound Panels were installed around the chiller's frame.
4. Jan '21 several neighbors reached out to SCU to inform the noise had returned.
5. April '21 SCU works SVM/Vibro Acoustics to provide SCU with a proposal for a sound absorbing wall.
6. May '21 SCU **Wilson Ihrig Sound Engineers** completes a six day sound study. Readings of 40dB to 70+dB.
7. June '21 ABCS Mechanical adjusts the chiller's load limit to 40% at 8 pm each night. Sound in the evening was mitigated.
8. August '21 Trane Mechanical locates a "blown" 40 amp fuse for chiller main fans. Fuse was replaced and daytime sound was mitigated.

Fall 2021 Campus Updates

- 98% (99% of Undergrads and 98% Graduate) students have been verified as vaccinated
- 98% of staff and faculty have been verified as vaccinated
- SCU hosted 3 vaccination clinic on campus in collaboration with the Santa Clara County Health Department.
- [COVID dashboard](#)- Updated weekly with total number of tests, positivity rates and potential exposures by building & date
 - 7-day test positivity rate of less than 0.1%, lower than the 1.1% positivity rate in [Santa Clara County](#), as of October 8th, 2021
 - 10 positive cases since September 17th, 2021
- Following state and Santa Clara County public health directives, SCU works with the Santa Clara County Health Department to identify cases, notify appropriate parties, and quarantine close contacts.

Testing Information

- As of Friday, September 17, all students—even those who are fully vaccinated—participated in mandatory entry testing. Further, all resident undergraduates will be required to test weekly throughout the fall term. Those with qualified exemptions from vaccination are required to test weekly.
- Mandatory Fall 2021 Entry Testing
 - All students participated in mandatory entry testing. 3 self administered tests during the first 3 weeks of classes.
 - All on-campus resident undergraduates are required to test weekly for COVID-19 during the fall 2021 term.
 - Off-campus students are strongly encouraged to participate in weekly testing even if they are not attending classes face to face.
- Self administered tests are free and available in locations throughout campus.
- All COVID related policies and protocols are located on the Prepared SCU website.

Walkabout, October 25th

- OCL, SCPD and Code Enforcement conducted the annual Walkabout on September 25th.
- 157 residences were visited. Each house was given information about city codes and ordinances, tips for good neighboring, City of Santa Clara resources & COVID protocols and policies.
- Thank you to Code Enforcement and SCPD for helping to educate SCU students.

Sobrato Campus for Discovery and Innovation

Featuring flexible labs, collaboration hubs, an Innovation Zone, and on-site research spaces like the Latimer Energy Lab, the Sobrato Campus for Discovery and Innovation is a “living lab” for students.
