Subject: Please Add "Adopt Vision Zero Policy" to Santa Clara City Council Agenda

Dear Santa Clara Mayor and City Council:

We request the City to include "Adopt a Vision Zero Policy" as an agenda item on an upcoming City Council Meeting.

As you are likely already aware, the Vision Zero Policy has the straightforward goal of zero traffic-related deaths and severe injuries. We hope the City Council wants Santa Clara to be a safe and inviting city, and recognizes that minimizing preventable deaths and injuries is an important goal.

Objective 1.A in the 2018 updated Master Bicycle and Pedestrian Plan states: "Study implementing a Vision Zero policy before 2024." Why wait 3 years just to study this? The time is now for you as the City Council to make a commitment to ALL ROAD USERS to make our roads safer.

Please add "Adopt Vision Zero Policy" as an agenda item to the next City Council Meeting.

Thank you for your time and consideration.

Sincerely,
