These are intended to focus Commission efforts and respond to community and City Council priorities within existing budget direction, resource limitations, and the purview of the Commission as set forth in the City Charter and City Code.

At the September 15, 2020 meeting, the Commission considered their prior progress on Work Plan Goals for Fiscal Year 2019/20. Due to the effects on the pandemic on the Commission meetings and events, the Commission determined to continue the prior year’s Goals for Fiscal Year 2020/21.

- a) Inform the community about parks and recreation infrastructure conditions and provide leadership and advocacy for any potential new funding strategies;
- b) Review and provide input on existing City park rehabilitation projects and proposed park projects to serve new residential development;
- c) Host the annual Santa Clara Art & Wine Festival; and,
- d) Provide leadership and guidance for community input and outreach on the proposed 30+/- acre Community Park on a former SCG&TC City owned parcel.

At subsequent meetings, the Commission will discuss the Work Plan, make subcommittee assignments as necessary, and work toward goal completion.
