Subcommittee Report on Wayfinding Signage (Kratz)

### **BACKGROUND**

Following a discussion on wayfinding signage at the September 5, 2019 Bicycle and Pedestrian Advisory Committee meeting, Chair Hardy elected to create a subcommittee to explore potential routes and destinations for inclusion in a potential wayfinding system for Santa Clara and to report those findings back to the BPAC. Members Kratz, Harrison, Donoghue, and Do volunteered to be on the subcommittee. Member Kratz has requested that this BPAC agenda item be scheduled for a subcommittee presentation.
