REPORT TO COUNCIL

SUBJECT

Action on Bills and Claims Report (CC, HA) for the period September 3, 2022 - September 30, 2022

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

Disbursements made by the City are based on invoices submitted for payment. Prior to payment, staff reviews all disbursement documents to ensure they are reflective of the goods or services provided. Invoices are usually paid within 30 days of receipt of an accurate invoice. As the final step, the City Auditor, or designee, verifies all documents before payment is issued. Payments are issued through accounts payable checks and wire transfers. It's important to note that items that pertain to the Stadium Authority are billed to the Stadium Manager (ManCo) to pay on behalf of the Stadium Authority for Non-NFL events and the 49ers for NFL events.

The Bills and Claims Report represents the cash disbursements required for operations of the City during the period. The report reflects the payment date, invoice number, description of the payment, funding source, and payment amount for all invoices. The budget control is set by the City Council through the budget adoption process.

DISCUSSION

Significant expenditures in this period include:

- Payment to Northern California Power Agency in the amount of \$27,407,504 for September 2022 all resource bill.
- Payment to MSR Public Power Agency/Energy Authority in the amount of \$5,247,555 for August and September 2022 energy purchases.
- Payment to Santa Clara Valley Water District in the amount of \$4,105,723 for June and July

2022 Pump Tax, a groundwater charge that is used to pay for the protection and augmentation of water supplies in the basin and August 2022 treated water purchase.

- Payment to Tri-Dam Authority/Project in the amount of \$2,493,486 for August 2022 Hydroelectric purchase.
- Payment to Alliant Insurance Services, Inc., in the amount of \$1,815,287 for property insurance and terrorism coverage for SVP power generating properties from 8/30/2022 through 8/30/2023. Also includes SVP's Grizzly Hydroelectric plant earthquake coverage for FY22-23.

Payments to ManCo are not included in the City's Bills and Claims report as they are currently reported through a separate Stadium Authority Bills and Claims report. Stadium Authority related payments in the City's Bills and Claims report include general administrative, materials, and supplies expenses of approximately \$169,861. Included in this amount are invoices totaling \$91,180 to Santa Clara County Sheriff's Department, California Highway Patrol and Sunnyvale Department of Public Safety for police protection services for special events at the stadium and \$74,153 for annual radio usage fee paid to the County of Santa Clara. These expenses are reimbursed to the City by the Stadium Authority.

Certain information such as names of law firms and recipients of workers' compensation have been redacted from the Bills and Claims report. The Supreme Court of California in *Los Angeles County Board of Supervisors v. Superior Court*, (2016) 2 Cal.5th 282, held that invoices specifying the amounts billed by a law firm to a client fall within the scope of attorney-client privilege while the matters are active. In accordance with the Supreme Court's ruling, the names of law firms retained by the City have been redacted from the public report to maintain confidentiality of billing records for legal services. In addition, individually identifiable information about recipients of workers' compensation has been redacted from the report based on California Labor Code section 138.7.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(4) in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potential significant impact on the environment.

FISCAL IMPACT

The expenditures of \$72,971,484 were appropriated to various funds with the adoption of the Fiscal Year 2022/23, as amended.

COORDINATION

This report has been coordinated with the City Attorney's Office.
