Youth Commission Committee Reports on Work Plan Goals

**BACKGROUND**

The Youth Commission FY 2020/21 Work Plan includes three themes, with associated activities, including:

- Environmentalism and sustainability
  - Exploring the City of Santa Clara’s sustainability efforts,
  - highlighting public transportation options, and
  - hosting a virtual guest speaker series with social media tie-ins.
- Health and wellness
  - Promoting mental health resources focused toward youth and teens,
  - promoting intergenerational connections (youth and teens and older adults), and
  - creating activity-based challenges to encourage youth fitness.
- Public outreach
  - Support committees with promoting information via social media,
  - create a newsletter highlighting community resources, accomplishments, and trending topics for youth and teens, and
  - continuing to share information and resources on civic processes at the national, state, and regional levels.

**DISCUSSION**

Members from each committee will provide updates to meeting attendees on progress towards their respective Committee’s goals.

**ENVIRONMENTAL REVIEW**

The action being considered does not constitute a “project” within the meaning of the California

Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.
