REPORT TO COUNCIL

SUBJECT

Action on a Resolution Acknowledging Receipt by City Council of a State-Mandated Compliance Report on Required Annual Fire Inspections of Certain Occupancies

BACKGROUND

Senate Bill (SB) 1205, which became effective in September 2018, enhanced an existing law that required every city or county fire department or district providing fire protection services to annually inspect specific residential occupancies, including hotels, motels, boarding houses, apartment houses, fraternities, sororities, congregate residences, and similar for compliance with building standards, within the jurisdiction (HSC §13146.2). Existing law also requires annual inspection of every building used as a K-12th grade public or private school within the jurisdiction (HSC §13146.3). SB 1205 creates a new mandatory process whereby fire departments present a report annually to their governing authority regarding compliance with safety inspection requirements. SB 1205 further requires the governing authority to acknowledge receipt of the report via resolution or other similar formal document. Within the city of Santa Clara, for calendar year 2018, there were 1396 occupancies required to be inspected under the current state regulations.

DISCUSSION

Senate Bill 1205 requires an inspection status report to be given to Council during its annual budget discussions (or at another time determined by Council), and that Council acknowledge receipt of the report in the manner described above.

As part of the adoption of the FY 2017/18 Budget, the City Council approved upgrading two (2) historic half-time positions responsible for these specific inspections to two (2) full-time Fire Prevention Specialist I positions resulting in three (3) full-time positions dedicated to the inspection program. With the additional resources, the Fire Department is pleased to report that these new

positions enabled completion of 97.3% of the 37 public and private schools, and 99.7% of the 1,359 residential occupancy inspections required in calendar year 2018 (see table below). For calendar year 2018, the 0.3% (4 occupancies) not inspected, were subsequently inspected as of this report.

2018 Inspection Status Report Data

Occupancy Type	Inspections Required	Inspections Performed	% Complete
Public and Private Schools	37	36	97.3%
Residential R-1, R-2, R2.1, R-4 (see Attachment Appendix A - Occupancy Type Definitions for definitions)	1,359	1,356	99.7%

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(a) as it has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

Council has previously approved a cost recovery mechanism for the inspection mandates in the form of inspection fees as allowed by the Health and Safety Code. Revenues and related expenditures were included in FY 2017/18 and FY 2018/19 appropriations, with no additional impacts.

COORDINATION

This report has been coordinated with the City Attorney’s Office and the City Manager’s Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City’s website and in the City Clerk’s Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk’s Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Adopt a Resolution acknowledging receipt of a report made by the Fire Chief of the Santa Clara Fire Department regarding the inspection of certain occupancies requiring annual inspections in such occupancies pursuant to sections 13146.2 and 13146.3 of the California Health and Safety Code.
