REPORT TO COUNCIL

SUBJECT
Recognition of Santa Clara students for their participation in Santa Clara Valley Science and Engineering Fair Association's Synopsis Championship Science Fair (SCVSEFA Fair)

BACKGROUND
During the annual SCVSEFA Fair, hundreds of Santa Clara County students are challenged to go beyond their classroom studies to do independent project-based research. They work independently, or in teams, to address questions in the fields of Computer Science, Environmental Science, Medicine & Health, Chemistry, Biology, and other categories.

The annual SCVSEFA Fair showcases students in Santa Clara County who will become our future scientists, technology experts, engineers, and mathematicians. This regional competition celebrates achievement by middle and high school students supported by their parents, teachers, and schools.

DISCUSSION
The City of Santa Clara is honored to recognize the science, technology, engineering, and mathematics (STEM) achievements of our Santa Clara students for their participation in the annual SCVSEFA Fair. The City Council is proud to recognize the accomplishments of these outstanding students.

At the City Council meeting SCVSEFA representatives will introduce the students who participated in the competitions.

FISCAL IMPACT
There is no cost to the City other than staff time.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov> or at the public information desk at any City of Santa Clara public library.
