REPORT TO COUNCIL

SUBJECT

Consider Acceptance of Santa Clara County Fireworks Grant of \$5,000 for Annual All-City Picnic & Fireworks Extravaganza Event and Approve Related Budget Amendment

BACKGROUND

On May 8, 2018, the County of Santa Clara Board of Supervisors approved an award of \$5,000 for the City of Santa Clara All City Picnic & Fireworks Extravaganza. The County has allocated a total of \$25,000 to sponsor up to two fireworks events per district in each of the five supervisorial districts. The purpose of the events is to encourage participation in safe community fireworks events and to discourage illegal use. Events are to be open to any resident in Santa Clara County, be family-friendly, and consider public/fire safety educational elements. This is the third year the City has received this grant. The County awarded \$2,500 for the City of Santa Clara events in 2016 and 2017.

DISCUSSION

The County of Santa Clara is continuing its support of the City of Santa Clara All City Picnic & Fireworks Extravaganza special event. The City does not foresee any potential liability to the City, the donor, or the public with acceptance of the donation.

The donation would be of benefit to the City and community as a whole by providing support of the City wide special event and fund the purchase of carnival prizes, free recreational swim at the George F. Haines International Swim Center, and provide public safety messages for attendees.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a

governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

Acceptance of the grant and approval of its appropriation to the City Wide Special Event- All City Picnic & Fireworks Extravaganza program will provide \$5,000 towards an enhanced carnival area and free recreational swim and public safety messaging.
