## REPORT TO COUNCIL

### SUBJECT

Action on the Appropriation of Asset Forfeiture Funds for Fiscal Year 2018/19

### BACKGROUND

Asset Forfeiture funds are obtained as a result of narcotic and other criminal investigations. Federal and State authorities allow the Police Department to share in the distribution of funds seized pursuant to judicial and/or administrative actions. The use of these monies is limited to funding law enforcement-related programs or purchases of equipment.

The City has the opportunity to enhance Police Department services by funding the following items (totaling \$129,500) with Asset Forfeiture monies. The Police Department has identified the following items, training, or improvements as being necessary to better serve the community by maintaining or improving our current level of service, enhancing our ability to apprehend criminal offenders, or by ensuring a higher degree of officer and employee safety.

### DISCUSSION

The Police Department's Asset Forfeiture appropriation requests for equipment and other law enforcement uses and programs for Fiscal Year 2018/19 are outlined as follows:

1. Undercover Buy Fund      \$7,000  
177-7733-87870-(I)4622-(G)SEIZD      Program: Investigations  
Monies used by undercover officers during criminal investigations to purchase illegal drugs and other contraband.
2. Conference and Training Funds      \$15,000  
177-7742-87820-(I)4673-(G)SEIZD      Program: Administrative Services  
Funds used for up to six attendees (employees to be determined after careful review of course

catalog; July 2018) to attend the International Association of Chiefs of Police Conference in Orlando, Florida in October 2018. This conference provides some of the best training for law enforcement officials available in the world. Any remaining funds could be used for other recognized law enforcement training and/or conferences.

3. Community Policing, Awards, and Meetings \$15,000

177-7746-87500-(I)2141-(G)SEIZD Program: Community Services

These funds will support our community policing projects, awards, recruiting materials and supplies and meetings for the coming year. Uses could include support of our Northside Substation, community events, special awards, Drug Abuse Resistance Education (D.A.R.E.) equipment, recognition supplies (challenge coins, pins and patches), meeting refreshments, and recruiting supplies.

4. Evidence Related Technology \$17,500

177-7732-87500-(I)7722-(G)SEIZD Program: Investigations

Technology is constantly changing and the police department needs to have the ability to adapt to emerging technologies. These funds would be used to purchase hardware, software, or other equipment needed to maintain our ability to get data from smart phones, computers, disparate video systems, and other technologies when acting upon a court authorized search warrant or other evidence exception.

5. Canine Replacement, Equipment, and Training \$50,000

177-7764-88040-(I)4662-(G)SEIZD Program: Special Operations

During this fiscal year it is possible that two police canines may need to be replaced. These funds will provide for the purchase of the canines, equipment and training needs. The training for the dogs and its handlers consists of a four-week basic course and a two-week tracking course. Additionally, the dogs will be trained in narcotics and/or explosive detection.

6. Tactical Equipment and Training for Special Response Team (SRT) \$25,000

177-7764-88040-(I)4593-(G)SEIZD Program: Special Operations

The police department's Special Response Team (SRT), commonly known as the SWAT Team, is in need of new equipment and training to remain tactically functional. This new equipment will ensure that our officers have the necessary equipment to safely perform their duties. This equipment includes rifle scopes, vests, and uniforms. In addition, the team is in need of a Hostage Rescue Class. These funds would cover the cost of hiring an expert team to teach the course.

All equitably shared asset forfeiture funds comply with the requirements of SB 443.

## **ENVIRONMENTAL REVIEW**

The purchase of supplies does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational policy making or administrative activity that will not result in direct or indirect changes in the environment.

## **FISCAL IMPACT**

Approval of this request will provide \$129,500 to support enforcement, other programs, and needs in the Police Department without using General Fund monies. Funds are available for appropriation from the unallocated Asset Forfeiture Trust Fund (079-7722-88000-(G)00710).

## **COORDINATION**

This report has been coordinated with the Finance Department and City Attorney's Office.

## **PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email [clerk@santaclaraca.gov](mailto:clerk@santaclaraca.gov) <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.
