REPORT TO COUNCIL

SUBJECT

Action on a Special Permit request for a seasonal Pumpkin Patch and Christmas Tree sales event at 2610 El Camino Real, PLN2018-13341

BACKGROUND

The applicant, Holly Prinz of ABC Tree Farms, LLC, is requesting a Special Permit pursuant to Zoning Code Section 18.60.030 for a Seasonal Pumpkin Patch and Christmas tree sales event located at 2610 El Camino Real. Municipal Code Section 18.60.030 requires issuance of a Special Permit by the City Council in non-industrial Zones for any use not otherwise regulated within the Zoning Code.

The property is currently zoned Community Commercial which encourages a wide variety of retail goods and services for the community. The surrounding area is comprised of properties designated with a commercial zoning district. The proposed temporary use, with limited duration and operations proposed, is not anticipated to adversely impact the surrounding land use in that the events will occur over a limited time period and will be subject to conditions which mitigate its potential negative impacts, including a condition of approval that the use be conducted in a manner that does not create a public nuisance or private nuisance. Any possible impacts would also be offset by the benefit to the community from the event. The Special Permit is subject to revocation should a problem arise.

DISCUSSION

The Christmas tree sales event would include similar temporary facilities and power will be supplied by Silicon Valley Power.

1. Special Permit shall be valid from September 21, 2018 through December 31, 2018; with set-up beginning on September 1, 2018, and breakdown/clean-up to be completed by December 31, 2018, with the following sales allowances:
