REPORT TO COUNCIL

SUBJECT

Study Session: Presentation by Caltrain on the Status and Next Steps of the Caltrain Electrification Project

DISCUSSION

At this study session, Caltrain staff will provide an update on the Caltrain Electrification Project. Caltrain electrification, scheduled to be implemented in 2022, will electrify and upgrade the performance, operations, efficiency, capacity, safety, and reliability of Caltrain's commuter rail service. The project will include the installation of new electrical infrastructure and the purchase of new electric trains. The study session will include an overview of the current status of the project including the project schedule and milestones, a summary of the Caltrain system, construction activities in Santa Clara, future public outreach, and the Caltrain Business Plan.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.
