SUBJECT

Discussion About Youth Commission 2019 Community Service Scholarship Award Program

BACKGROUND

During various City activities, the Youth Commission raises funds that are then set aside to be awarded as financial grants through the Youth Commission Community Service Scholarship Award Program (Program). Amounts vary depending on availability of funds raised each year and the number of eligible applicants. Eligibility criteria include City of Santa Clara residents, who are high school juniors and seniors that have a minimum 2.5 cumulative GPA, and have significant verifiable community service involvement. Applicants complete an application and answer supplemental questions, typically due in March, and participate in a panel interview. In the past, scoring has been based on 50 percent for application and response to questions, and 50 percent for the oral interview. Financial grant recipients are recognized at a City Council meeting in May.

DISCUSSION

Commission will review the previous years' application process and interview questions, provide City staff with feedback, form a committee to review Program applications, and conduct interviews. Commission will also review amount of funds raised to date to help determine potential quantity and amount of scholarship funds available to be awarded. The Committee will review interview questions, facilitate applicant interviews and recommend recipients with the assistance of City staff.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.
